5/5 Perfect condo!

This place was truly so nice! It was very clean upon arrival, and had everything we needed. The process of arrival and departure was simple and direct. I just wish we could have checked in earlier than 4 so we could have started getting settled sooner. Overall I highly recommend!

We loved & enjoyed the stay! Although I forgot my personal memory foam pillow there on the bed everything was great! Had a wonderful time there!

5/5 Great Location and Unit

2024 was my 7th year in OB - have stayed in this unit 4 of the 7 years and am returning to it in 2025. This unit provides everything you need for a great trip. My favorite thing is the view from the deck :) In four years I have only had to contact Beachball once and they were responsive and courteous. I would highly recommend this unit.

5/5 *SeaScape 210*

Condo was great, very clean and cozy. We were close to everything, be it Orange Beach or Gulf Shores. We are already planning another stay.

Seascape 210 was exactly what we needed. Unit was clean and updated, with a wonderful view of the ocean. We will be back.

Very clean and adequately stocked. Any minor issues or questions we had were promptly addressed. Would definitely use Beachball Properties again and stay at this unit.
