Situated on an estate-sized lot in Dumore, this home offers comfort, function, and outdoor living near a peaceful fishing pond. A new front door and windows bring in natural light, while updated laminate flooring (2023) and fresh paint (2026) create a move-in-ready feel. The remodeled kitchen (2022) is perfect for everyday living, with a whole-home generator for added peace of mind. Major upgrades include a new HVAC system and fortified roof (2024).

Enjoy a private backyard retreat with a fiberglass pool (2017), pavilion, and screened porch (2025)—ideal for relaxing or entertaining. Buyer to verify all information during due diligence.
