KNOW ALL MEN BY THESE PRESENTS, THAT

WHEREAS, the undersigned owners of record of the following described real estate in Mobile County Alabama, to wit: MARCHFIELD Subdivision as shown on the plat recorded in Map Book 34 Page 49 in the Office of the Judge of Probate of Mobile County, Alabama; and

WHEREAS, the said undersigned owners are desirous of establishing or placing the heretofore described subdivision under certain restrictive covenants to insure the use of the property for attractive residential purposes and thereby to secure to each site owner the same advantages insured to other site owners.

NOW, THEREFORE, the undersigned owners do hereby adopt the following conditions, restrictions, covenants and limitations which shall apply in their entirety to all lots in the said Subdivision and shall be included as a part of the consideration in transferring and conveying title to any or all of said lots in said subdivision:

1. The owners of lots within said subdivision will not erect or grant to any person, firm or corporation the right, license or privilege to erect or use or permit the use of overhead wires, poles, or overhead facilities of any kind for electrical, telephone, or cable television service on said real estate (except such poles and overhead facilities as may be required at those places where distribution facilities enter and leave said subdivision or existing overhead transmission facilities). Nothing herein shall be construed to prohibit overhead street lighting, or ornamental yard lighting, where serviced by underground wires or cables.

2. In order to beautify said subdivision for the benefit of all lot owners and permit Alabama Power Company to install underground electric service to each house in said subdivision for the mutual benefit of all lot owners therein, no owner of any lot within said subdivision will commence construction of any house on any said lot until such owner (1) notifies Alabama Power Company that such construction is proposed, (2) grants in writing to Alabama Power Company such rights and easements as Alabama Power Company requests in connection with its construction, operation, maintenance and removal of underground service lateral of each lot, and (3) otherwise complies with the Rules and Regulations for Underground Residential Distribution on file with and approved by the Alabama Public Service Commission.

3. Alabama Power Company, its successors and assigns, will retain title to the underground service lateral and outdoor metering trough serving each said house, and said service entrance facilities provided by Alabama Power Company will not in any way be considered a fixture or fixtures and thereby a part of said real estate, but will remain personal property belonging to Alabama Power Company, its successors and assigns, and will be subject to removal by Alabama Power Company, its successors and assigns, in accordance with applicable Rules and Regulations filed with and approved by the Alabama Public Service Commission.

4. These covenants and restrictions touch and concern and benefit the land and shall run with the land and shall be binding on Alabama Power Company, the undersigned, their respective heirs, successors and assigns. Invalidation of any one of the foregoing covenants and restrictions shall in no way affect any other provision contained herein.

IN WITNESS WHEREOF, this instrument has been executed this 23rd day of March, 19 81
