Recent Updates and Improvements

1. Professionally painted the entire interior of the home, including the garage - all walls, doors, and trim - with Sherwin-Williams Agreeable Gray and white trim paint
2. Professionally installed neutral carpet and deluxe padding in the living room and bedrooms
3. Checked and serviced the HVAC system, replaced the filter and added new outside condenser insulation
4. Cleaned gutters and all eaves
5. Purchased brand new 2" blinds and installed them on all windows
6. Replaced any loose or chipped floor tile
7. Installed a new kitchen garbage disposal, stainless LG refrigerator, and stainless smooth-top stove in the spring of 2026, and the stainless dishwasher was replaced in late 2025
8. Removed, resealed, and remounted toilets in both bathrooms. Installed new bathroom hardware as needed
9. Cleaned and repainted the front door and shutters
10. Checked the operation of light fixtures and repaired or replaced covers and fixtures as needed
11. Repaired door trim around outside doors, including the garage door
12. Pressure-washed house, driveway apron, and all walkways
13. Added solar lights, pavers, new mulch, and refreshed landscaping
