**DECLARATION OF RESTRICTIONS AND COVENANTS
OF
RAYNE PLANTATION**

This Declaration of Restrictions and Covenants is made, adopted, published and declared this 3rd day of June, 2013, by RAYNE PLANTATION, INC. ("Developer");

RECITALS

Developer, as owner of Lots 1 through 27 ("the Lots") and the other real property known as RAYNE PLANTATION ("the Community"), as shown on the Plat recorded at Slide 2484-E, in the records of the Office of Judge of Probate of Baldwin County, Alabama ("the Plat"), desires to place certain restrictions, covenants, conditions and reservations upon the Community in accordance with a general scheme or plan in order (a) to protect the owners of each Lot against improper use of surrounding lots as will depreciate the value of the property, (b) to preserve the natural beauty of each Lot, (c) to ensure the creation of attractive, well designed, properly proportioned and appropriate homes of suitable materials with appropriate locations on the lots, (d) to ensure proper building setbacks from street and lot lines, (e) to provide adequate free space between structures, (f) to provide for the maintenance of common areas, (g) to provide for the orderly governance of the Community, and (h) to assure the best and most appropriate development and improvement of the Community and each Lot thereon;

NOW THEREFORE, Developer does hereby impose the following protective restrictions, covenants, conditions, and reservations:

1. **SINGLE FAMILY RESIDENCES:** All Lots in the Community shall be known and described as single family residential lots. No Lot may be improved, used or occupied for other than private residence purposes, and no flat, duplex, apartment house, group apartment, or condominium, though intended for residential purposes, may be erected thereon.

2. **ARCHITECTURAL REVIEW:** No building or any other improvement, including without limitation, any fence, pool, or any other device or article attached to the ground or to any building shall be erected,

(41)

placed or altered on, or attached to, any lot until such building or other improvement shall be approved in writing by Developer or the designated representative.

To request such approval, the requesting party must submit to Developer or its designated representative: Two complete sets of final building or construction plans, specifications, and plot plans showing the location of each building, fence, wall and any other improvement, private road, driveway (in this case also showing the course, width of same and curb cut), pool, and all other proposed structures. Said plans shall be prepared by a qualified architect, engineer, or draftsman, duly licensed to do business in Mobile or Baldwin County, State of Alabama, and such person shall be qualified to draw home plans. Plans or exhibits shall show, without limitation, (i) a schedule of exterior materials and colors, (ii) orientation, front, rear and side elevations, and finished ground elevation of the structure, and (iii) the habitable area square footage as referred to in paragraph 9 hereof. Approval, which shall be given or withheld or conditionally given in Developer's sole discretion, shall be based on compliance with all requirements stated in these covenants and on the compatibility of the proposed improvements with other existing or anticipated improvements in the Community, and the quality and attractiveness of the proposed improvements. Developer review shall be limited to outward appearance only and shall not include any responsibility or authority to review for structural integrity, interior design, compliance with building or zoning codes or standards, or any other similar or dissimilar factors.

All proposed building or construction plans, specifications, plot plans or related data, drawings or requests for approval shall be submitted as follows: 32128 Broken Branch Circle, Spanish Fort, Alabama 36527, unless and until Developer shall designate a different agent or depository. Each submittal for the construction of a new home shall be accompanied by a \$500.00 application fee payable to Rayne Plantation Property Owners Association, Inc. Each submittal for any improvement not covered in the first submittal for a new home or a modification shall be accompanied by a \$100.00 fee payable to the Association.

Developer approval shall be required for all exterior materials and colors, including doors and windows, ceiling height, elevations, placement of heating and air conditioning equipment, placement of power boxes, location of buildings, outbuildings, and driveways, and direction the house faces the street and surrounding homes.

The following conditions apply:

Exterior Color: Houses and other buildings must be painted or otherwise colored, except where finished with brick approved by Developer. All proposed colors to be applied to the exterior of any structure must be submitted to Developer for approval. Any color that is not deemed by Developer, in its sole discretion, as compatible with the Community shall not be approved.

Exterior Materials: Exterior finish must be real or cultured stone, used brick, wood mould brick, tumbled style brick, regular brick approved by Developer, authentic stucco, wood or fiber-cement siding. A sample of all stone and brick shall be submitted to the Developer for approval prior to beginning construction. Facia and soffit areas may be finished in wood or vinyl trim. Porch ceilings must be constructed of finish grade wood. No vinyl shutters shall be allowed. The exterior finish of any modification, addition or alteration after the construction of the initial residence shall be approved by the Developer or the Association and must be constructed of the same or similar material as the original construction.

Windows: Solid wood units, vinyl clad wood window units, bronze aluminum window framed and other vinyl units as Developer may deem acceptable are allowed; other window types may from time to time be approved by Developer.

Ceiling Height: Minimum of ten feet (10') is required of the first floor of any residence.

Elevation: First floor elevation at the front of any house must be a minimum of two (2) feet off finished grade on any lot, unless specific written approval is given by the Developer for a variation from the above required elevations.

Slabs: Slabs shall not be exposed.

Driveways: All driveways shall be paved with concrete or constructed with masonry type material acceptable to Developer. Surfaces must be broom finished or exposed aggregate.

Roof Pitch: Without Developer's prior written consent, no roof pitch shall be less than eight inches (8") in a twelve inch (12") run. Roof materials shall be subject to the approval of Developer.

Chimneys: There shall be no exposed pipes for, or at, the chimneys, except that a reasonable amount of exposed pipe may protrude from the top of the casing, and only masonry type material may be used for each chimney unless specific written authorization is granted by Developer to use some other type of material. If a fireplace consists only of gas firelogs, then the Developer may approve a painted black stack in lieu of a traditional chimney.

HVAC Units, Mechanical Equipment, Pool Equipment and Playground Equipment. All HVAC units, mechanical equipment, pool equipment and other similar items shall be screened from street view with approved landscaping or other approved screening material.

Outdoor Lighting: No mercury vapor lights or other outside lights shall be permitted on any lot without the prior written approval of Developer. Developer approval of any outside lighting may be withdrawn if Developer determines that the lighting is or becomes a nuisance. Landscape lighting shall be subject to Developer

approval as part of landscape plan approval. No lighting shall be located, directed or of such intensity as to affect adversely the enjoyment of any adjacent Property Owner. Only approved decorative lights shall be located on the front of any residence and no flood lights or similar types of lighting shall be allowed on the front of any residence.

Swimming Pools: No swimming pools shall be constructed, altered or maintained upon any lot without the prior written approval of Developer of the type, design, and location thereof. Any such swimming pool must also be constructed, equipped, and maintained in accordance with the regulations, standards, and recommendations of the appropriate city, county, and state authorities. Swimming pools shall be fenced and their location approved by Developer. Above-ground pools are not permitted.

Landscaping and Irrigation. All front and side yards shall be sodded with Bermuda grass. Rear yards may be sodded with either Bermuda, centipede or St. Augustine grass. Landscaping shall include a mix of plants listed on Exhibit "A" attached hereto. The Developer encourages the use of natural landscaping and any Lot Owner or contractor shall submit to the Developer prior to the construction of any residence, a landscaping and irrigation plan which shall be approved by the Developer, its successors and assigns. All lots shall have an approved irrigation system. All landscaping and irrigation systems shall be completed in accordance with the approved landscaping and irrigation plan and shall be completed within 60 days from the completion of the construction of said residence, including, complete sodding with grass, or other ground cover approved by the Developer, of the front yard and all other parts of the Lot visible from the streets. All A/C units and similar mechanical devices shall be screened from view using a mix of plants listed on Exhibit "A". Screening constructed of wood or similar materials may be approved by the Developer, its successors and assigns at the Developer's sole discretion.

Satellite dish: No satellite disc or dish or other type of television or electronic device shall be installed in any front yard or anywhere visible from any street, unless a satisfactory signal cannot be obtained in such location, in which case, Developer shall approve a location where a satisfactory signal can be obtained and where the dish is screened by landscaping approved by Developer.

Sidewalks: Prior to or upon erection or location of a building on any of the Lot and for any other Lot not then owned by Developer, not later than December 31, 2014, the Owner of such Lot shall, at such Owner's expense, install, or cause to be installed, a five (5) foot wide, broom-finished sidewalk on such Lot in accordance with the same standards as would be applicable if the lot was located within the City of Spanish Fort and, the location, the dimensions and other features of such sidewalks shall be subject to the prior written approval of the Developer or its designated representative.

Mailboxes: Mailboxes in the Community shall conform to the mailbox style, color, lettering, location and other specifications designated by Developer from time to time. Standard mailboxes as selected by Developer, are required through the Community and no other mailboxes are permitted. A picture, model number, and supplier information for the mailbox initially selected by Developer is shown on Exhibit "B" attached hereto. If that particular mailbox ceases to be available, Developer will select a substitute standard mailbox.

Vehicular Access to Certain Lots: No Lots shall have vehicular access directly to Highway 31.

Construction Period/Reconstruction: Each residence must be completed within twelve (12) months from the date when construction begins. If the construction of any residence is not completed within such twelve (12) month period, then the Owner shall promptly remove such partially-constructed residence at the Owner's expense; provided, however, that Developer may, when it in its absolute discretion deems it is reasonable to do so, extend the construction completion deadline for one (1) or two (2) periods of up to ninety (90) days each. Any building or other improvement constructed on any lot that is destroyed partially or totally by fire, storm or any other means shall be rebuilt or repaired in accordance with this Declaration or demolished within a reasonable period of time and the lot on which such was located restored to an orderly and attractive condition.

Permitted Hours of Work: No construction or similar work shall be allowed on Sundays, Thanksgiving Day or Christmas Day or prior to 7:00 a.m. or after dark.

Permitted Builders: Developer shall have the right to designate, from time to time, certain builders who may construct homes in the Community and to prohibit other builders from building homes in the Community. The designation of any builder shall not be deemed to be a representation to anyone that such builder is qualified or that such builder is recommended. Developer shall have no liability whatsoever to any Owner or any other person arising out of which builders Developer may permit to build within the Community and which are not so permitted. In no event shall any builder commence work on any Lot unless that builder has been approved in writing by Developer and such approval has not been revoked by Developer. Developer may in its discretion approve any builder for a particular lot without approving that builder for any other lots.

Standards: The quality and attractiveness of every improvement must meet the standards of Developer. Developer is hereby granted broad discretion in judging the compatibility, quality, attractiveness, and compliance of the proposed improvements with this Declaration. Developer shall have the right to accept, modify, or refuse to approve any plans or specifications or landscape plans, which are not reasonably suitable or desirable, in Developer's sole discretion, for aesthetic or other reasons, and in so passing upon such plans, specifications and landscape plans, and without any limitation of the foregoing, it shall have the right to take into consideration the suitability of the proposed building, other structure or landscape plan, and of the materials of which it is to be built or planted, the site upon which it is proposed to be erected or planted, the harmony thereof with the surroundings and the effect of the building, other structure or landscape as planned, on the outlook from the Lots within the Community. Each person that acquires any lot or any interest therein, and such person's heirs, successors and assigns shall abide by the decision of Developer in all cases in which Developer's approval is required in this Declaration.

If Developer or its designated representative fails to give notice of approval or disapproval of any submitted plans and specifications containing all required information or other request pursuant to this Declaration within thirty (30) days after said plans and specifications or other request have been submitted to it, such approval shall not be required. If any plans and specifications are disapproved, written notice of such disapproval shall be

given to the submitting lot owner by hand delivery to such owner or by depositing same in the U. S. Mail, properly addressed and postage prepaid.

The approval of Developer of any plan, specifications or drawings or any materials accompanying same for matters requiring approval by Developer shall not be deemed a waiver of, or create any right of estoppel against, Developer's right to withhold approval of any similar plan, drawing, specification or materials subsequently submitted for approval.

Neither Developer nor any representative of Developer shall be liable to any lot owner or any other person, association or entity, for any damage, loss or prejudice suffered or claimed on account of: (i) the approval or disapproval of any submitted materials, whether or not defective; (ii) the construction or performance of any work, whether or not pursuant to approved materials; (iii) the development of the lot; (iv) the structural capacity or safety features of any proposed improvements; (v) whether or not the location of the proposed improvement on the building site is free from possible hazards from flooding or from any other possible hazards, whether caused by conditions occurring either upon or off any property located within the Community; (vi) soil erosion causing sliding conditions; or (vii) any decision made or action taken or omitted to be taken under the authority of this Declaration.

Upon such terms and conditions as Developer may elect, Developer may, but is not required to, adopt, review and approve or disapprove, in whole or in part, with or without conditions, applications for the modification or waiver of any requirement or restriction contained in this Declaration. Such applications shall contain such information as Developer may prescribe and shall affirmatively show, to Developer's satisfaction, that the application of such requirements, under the circumstances, creates unnecessary or undue hardships or that its modification or waiver is not materially inconsistent with the scheme of development.

With respect to all matters which are, by the terms of this instrument, to be decided by Developer, the decision of Developer shall be final and binding on all parties. No changes or deviations in or from any approved plans or specifications shall be made without the prior written consent of Developer.

Nothing in this Declaration shall relieve, or be interpreted as purporting to relieve, any owner from also securing such approvals, certificates, or permits of any governmental agency or entity with jurisdiction as may be required by law as a condition to the commencement, construction, maintenance, addition, change or alteration, or any other activity on any lot, and Developer may require that a copy of such approvals, certificates, or permits be provided to Developer as a final condition to any approval, or as additional assurance to Developer that the proposed activity or construction and uses meet governmental requirements, or for both such purposes.

Developer has obtained an Alabama Department of Environmental Management ("ADEM") National Pollutant Discharge Elimination System Permit ("the Permit"), which relates to certain activities that affect storm water discharges from construction, excavation, land clearing, and other land-disturbance activity. The Owner of each Lot shall, with respect to construction or other land-disturbance activity on such lot, be responsible for taking such measures as are required by the Permit and applicable laws and regulations related to preventing sediment or other pollutants and storm water run-off from leaving the construction site or associated areas. However, upon conveyance of any Lot by Developer, the new Owner shall immediately apply for and obtain, in such Owner's own name and at such Owner's own expense, a separate permit for such Lot and shall abide by the terms thereof, which may include, without limitation, use of silt fences, staked hay bale rows, netting or mesh, rock filter check dams, catch basins, seeding, proper grading, revegetation, and other erosion control. Each Owner shall indemnify and hold Developer harmless from such owner's failure to take such measures. Should ADEM or other authorities assess a fine or require correction action with respect to the matters assigned to any Owner under this paragraph, such owner shall be responsible for the payment of such fine and/or the implementation of such correction action, and if such owner should fail to pay such fine and/or implement such corrective action, Developer may, but shall not be obligated

to, pay such fine and/or implement such action on behalf of such owner, without any liability on the part of Developer to such owner, and owner shall reimburse Developer the cost thereof, plus an administrative fee equal to 25% of such costs, plus interest at the rate of 12% per year until paid.

Assignment/Delegation: Other paragraphs in this Declaration provide that certain actions may be taken only with prior written approval of Developer. The powers and rights under this paragraph 2 and such other powers and rights of approval set forth elsewhere in this Declaration, including, but not limited to, the power to make rules and regulations, may be, in whole or in part, (i) relinquished by Developer from time to time by recording a written relinquishment in the Baldwin County Probate Court real estate records; or (ii) assigned to the Rayne Plantation Property Owners Association, Inc. by recording a written assignment in said records, in which case, the assignee shall have such rights and powers of approval.

3. **SITING AND TREE REMOVAL:** All residences, buildings and other improvements must be located within the setback lines as shown on the Plat. All improvements shall be located so that the maximum view and privacy will be available to each residence and so that all improvements will be ideally located with regard to the topography of each Lot taking into consideration of the location of trees or plants, and other aesthetic and environmental considerations, and shall be approved by the Developer.

Prior to clearing any Lot or cutting any trees from any Lot, a site inspection shall be performed by the Developer and upon written approval from the Developer, the Builder may proceed to clear the Lot. At the time of said inspection all trees that are to be kept shall be flagged and a rough stake-out of the residence shall be in place. It is the intent of the Developer to preserve as many trees on the site as possible. Site approval and tree removal shall be at the sole discretion of the Developer and any violation shall be subject to enforcement as provided under these Declaration of Covenants, Conditions and Restrictions. No Builder or Lot Owner shall remove any tree or trees from any Lot without the prior written approval of the Developer. Should any Builder or Lot Owner remove any tree or

trees without the prior written approval of the Developer or should any Builder or Lot Owner remove any additional trees on any Lot other than those which have been approved for removal by the Developer, then, that Builder or Lot Owner shall be subject to a minimum fine of \$2,500.00 for the removal of the first tree which shall be in violation of this provision and \$250.00 per tree for each additional tree which shall be removed in violation of this Section.

Upon completion of construction of a residence on any Lot, no additional trees shall ever be removed from that Lot without the prior written approval of the Developer or the Association. Should any Lot Owner remove any additional tree or trees, that Lot Owner shall be subject to a minimum fine of \$2,500.00 for the removal of the first additional tree and \$250.00 for the removal of each additional tree thereafter which shall be removed in violation of this Section. Exceptions shall be made on a case by case basis in the event of diseased trees, damaged trees or any trees which may create an imminent threat of danger to the residence located on that Lot or any adjoining Lot. Approval of removal of any additional tree or trees shall be at the sole discretion of the Developer or the Association.

4. **WATER ACCESS:** The Community presently contains two (2) lakes as shown on the Plat. There is no general access to either lake, except for Lot Owners via the common area access as shown on the Plat for the easternmost lake. Access to either lake is limited to Owners whose yard abuts such lake and such Owners' tenants and invitees, and such access shall be limited to the shoreline of the Lot owned by the person accessing the lake. The lakes are or will become common area to be owned and maintained by the Association. No lake lot owner shall acquire any rights to the ownership of the lake or any other rights with respect thereto, except that lake lot owners and their tenants, invitees, and invitees of their tenants may make such other safe recreational (non-commercial) use of the lake, such as fishing (but not swimming), as does not unreasonably interfere with the use thereof by other lake lot owners or unreasonably disturb the enjoyment of other lake lot owners of their Lots. Developer reserves the right to impose such rules and regulations as it deems necessary or reasonable to protect the safety and enjoyment of those permitted to use the lake and/or lake front owners and otherwise to provide for the orderly use of the lake. In no event shall any owner use the lake water as a source for a private well or irrigation. No boats of any kind are allowed in either lake, and no Owner shall construct a pier, wharf, bulkhead, jetty, or other structure on either lake.

5. **RESUBDIVISION:** Except as hereinafter provided, no building or any part thereof, of any character, may be erected or maintained on any part of a lot which is subdivided subsequent to the date hereof. Where a lot is subdivided and all of its parts are combined with adjacent entire Lots, a building may, with the approval of the Developer, be erected and maintained on each of the Lots as so combined even though a portion of such building may be located on a part of such subdivided lot, but each resulting combined lot shall be subject to this Declaration as fully and completely as if shown on the plat as a single lot. Where a portion of a lot, which portion is less than ten percent (10%) of the total area of the lot, is conveyed to the owner of the lot adjacent to such portion, a building may, with the approval of the Developer, be erected and maintained on the remaining portion of such lot, which remaining portion of the lot shall be subject to this Declaration as fully and completely as if shown on the plat as a separate lot. Additionally, provided Developer's prior written consent has been obtained, any three (3) contiguous Lots may be combined into two (2) separate building sites, each of which is larger than each of the original three (3) Lots, and for all purposes thereafter, other than the payment of assessments and voting, such three (3) Lots shall be treated as two (2) Lots, the same as if those three (3) Lots were originally platted as two (2) Lots; however, each of such two (2) Lots shall be entitled to 1.5 votes on matters before the Association and each shall pay assessments at 1.5 times the normal rate; further, with the prior written consent of Developer, any two (2) contiguous Lots may be combined into one (1) building site, and for all purposes thereafter, except payment of assessments and voting, such two (2) Lots shall be treated as one (1) Lot, the same as if those two (2) Lots were originally platted as one (1) Lot.

6. **OFFENSIVE ACTIVITIES, ETC.:** No commercial, noxious, hazardous, annoying or nuisance-creating activity may be carried on within any lot, common area or amenity, or in, on or over the lake. No structure, including fences, shall be erected so as to channel water on an adjacent lot. No outside clothes lines shall be permitted. No trawl, cast net, gill net, or other fishing, shrimping equipment or paraphernalia shall be dried, kept, or maintained on any lot in such a location or manner as to be visible from any street, any lot or any lake. No guns may be discharged upon any part of Community for any purpose, nor shall there be hunting of any nature. Basketball goals, trampolines, swing sets, and other outdoor playground equipment are prohibited. Yard ornaments or other yard

art, outside statues, outside fountains, flags other than the American flag, and mailbox decorations are prohibited. No street side parking is permitted.

7. **NEATNESS, ETC.:** All Lots and adjacent right-of-ways, whether occupied or unoccupied, and any improvements placed thereon, shall at all times be maintained by the owner of all such Lots in a neat, attractive and presentable condition, even when such improvements are under construction. They shall be maintained in such manner as to prevent their becoming unsightly by reason of weeds, underbrush, or unattractive growth on such lot or the accumulation of piles, rubbish, debris or unsightly objects thereon; nor shall any such rubbish, debris, or unsightly objects be dumped on any other lot or on any adjoining property, or otherwise disposed of in any manner not consistent with applicable laws. Building materials shall not be stored on a lot unless a structure is under construction. Trash, garbage or other waste material shall not be kept on any lot except in sanitary containers. Also, lot owners shall be responsible for periodic clean ups on their respective Lots during the period the house is under construction to prevent their trash from blowing onto other Lots and causing an unsightly situation for the neighborhood. In order to implement effective control, Developer reserves for itself and its agents the right, after ten (10) days' notice to any lot owner, to enter upon any residential lot with such equipment and devices as may be necessary for the purpose of mowing, removing, clearing, or cutting underbrush, weeds or other unsightly growth and trash which, in the opinion of Developer, detracts from the overall beauty or safety of the Community. Such entrance upon such property for such purposes shall be only between the hours of 7:00 A.M. and 6:00 P.M. on any day except Sunday and shall not be a trespass. Developer may charge the lot owner a reasonable cost for such services, plus a 25% administrative charge and interest at the annual rate of 12% until paid, which charge shall constitute a lien upon such lot enforceable by appropriate proceedings at law or equity. The provisions of this paragraph shall not be construed as an obligation on the part of Developer to mow, clear, cut or prune any lot nor to provide garbage or trash removal services.

8. **TRAILER, MOBILE HOME, ETC.:** No mobile homes, motor homes, campers, and/or utility, boat or other trailers may be kept on any Lot, even within a fully enclosed garage. Temporary structures may not be used as a residence.

9. **LEASING RESTRICTIONS.** No residence or other structure shall be leased by the Owner thereof for a lease term of less than twelve (12) months, and only one primary family per residence shall be allowed. No boarders or persons with similar living arrangements shall be allowed.

10. **PARKING AND DRIVEWAYS.** Each Owner shall provide sufficient space for the parking of approved vehicles for the Owner's and Owner's family's use and the use of Owner's guests in accordance with reasonable standards established by the Developer. Parking on the paved portions of any right-of-way not identified as parking areas within the Community shall be prohibited at all times. The Developer may impose a fine up to \$50.00 for any violation of this prohibition for any part of any day. All vehicles violating this restriction may be removed by the Developer, its successors and assigns, or their designated agent, and the Owner of the vehicle shall be responsible for all charges for towing and storing the vehicle. Driveways shall be constructed of concrete, brick pavers or other materials specifically approved by the Developer unless otherwise provided in these covenants and restrictions.

11. **TYPE AND SIZE OF BUILDINGS:** No building shall be erected, altered, placed or permitted to remain on any lot other than one single family residence, which shall be not more than two and one-half stories in height and shall have habitable area, exclusive of basements, open porches and garages, in accordance with the following:

Lots	Minimum total heated and cooled area	Minimum heated and cooled area on ground floor if greater than one (1) story
11 through 21	3,400 square feet	2,400 square feet
1 through 10; 22 through 27	2,800 square feet	2,000 square feet

Outbuildings are prohibited, but detached garages may be erected if specifically approved in writing by Developer, including the location (which must comply with applicable construction setback areas) prior to construction. Each residence shall contain at least a two-car garage, though Developer may consider allowing tandem garages in some situations. Absent a written waiver from Developer, no garage shall open onto any street, except in the case of a corner lot in connection with which Developer specifically determines that relief from this prohibition is appropriate.

12. **UTILITIES:** All wired utilities must be provided underground. Septic tanks are prohibited. Each owner assumes responsibility for activating electric, telephone, sanitary sewer, water, cable television (if available), and gas services and paying the appropriate utility companies the fees or charges required by such companies and to sign and be bound by such agreements as such companies may require.

13. **SECURING JOB SITE IN THE EVENT OF A HURRICANE OR NAMED TROPICAL STORM.** In the event any hurricane or named tropical storm appears to be an imminent threat to Baldwin County, then, it shall be the Lot Owner and builder's responsibility to secure all port-o-let, equipment, lumber and other building materials which may cause damage to the Community, other Lots or residences within the Community. Should the Lot Owner or contractor fail or refuse to secure such equipment and materials, the Lot Owner or contractor shall be responsible for any damages which may occur as a result thereof and shall hold the Developer and the Association harmless for any such damages.

14. **ANIMALS:** Up to four (4) domesticated animals are allowed, but only dogs and cats (no other species) and in no event more than three (3) dogs. Animals may not be kept, bred or maintained for any commercial purpose or use. Any animal that the Developer deems a nuisance, annoyance or danger to the Community shall be removed by the owner thereof immediately upon written notice. All animals must be kept under hand leash control, and owners thereof shall be responsible for promptly removing any waste left in the Community by such animals.

15. **GARBAGE DISPOSAL CONTAINERS AND EQUIPMENT:** No lot shall be used as a dumping ground for rubbish, and all debris and trash from clearing or construction must be immediately removed. Trash, garbage or other waste shall not be kept except in sanitary containers. All equipment for the storage or disposal of such material shall be kept in a clean, sanitary condition and screened from view from the lakes, the streets, and other Lots. Trash shall be taken to the street only the night before the regularly scheduled pick-up and removed from the street by the end of the day of pick up.

16. **MINING OPERATIONS:** No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon the surface of any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or within five hundred feet (500') beneath the surface of any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any lot.

17. **FENCES, WALLS, HEDGES AND ORNAMENTAL STRUCTURES:**

- A. No fence shall be constructed without prior written approval of the Developer.
- B. The Owner of any Lot on which a fence is constructed shall maintain the fence in an attractive, safe condition.
- C. Developer will initially construct a privacy fence along the eastern property line of Lots 1 through 3 and lots 22 through 25. The Association shall maintain that privacy fence.
- D. The Owners of Lots 3 through 10 shall have the option of building a 6' privacy fence along the rear of their respective Lots. Any fence constructed on Lots 11 through 21 must

conform to fence option D as shown on Exhibit "C" attached hereto and be 48 inches in height.

E. Fences on Lots 1 through 10 and 22 through 27 shall be 48 inches in height and otherwise conform to any one of fence options A, B, C, or D as shown on Exhibit "C".

F. All fences must be stained with the following: DeckScapes Exterior Waterborne Semi-Transparent Deck Stain by Sherwin-Williams; Color: Chestnut; Product ID: SW3524, or such substitute as Developer may approve.

18. **SIGNS:** No signs shall be erected or maintained on the property or any other Lot at any time by anyone, including without limitation, a Property Owner, realtor, contractor or subcontractor, except for the following approved signs: (a) One "For Sale" sign; (b) One sign displayed by a contractor during construction for a maximum of 12 months or until completion of the construction, whichever shall first occur; (c) a sign which must be posted as a result of legal proceedings pursuant to a statute or court order; or (d) a sign which has been specifically approved in writing by the Developer. All "For Sale" signs, including realtor signs and contractor display signs, shall be the official Community sign which shall be designed by the Developer. Examples of acceptable signs are shown on Exhibit "D". Developer reserves the right to restrict the size, color, content, location, number and method of display of each approved sign. Signs must be placed parallel to the street and may not be displayed from the interior of any residence, building, or other improvements so as to be visible from the exterior.

19. **TRANSFER FEE:** A transfer fee of \$250.00 shall be paid to the Association by the purchaser of any improved or unimproved Lot at each and every closing of any purchase, except that no such fee shall be owed for the conveyance of any Lot owned by Developer.

20. **EASEMENTS:** All easements shown on the Plat, including, but not limited to, drainage easements are hereby adopted as a part of these Restrictions and all Lots in the Community shall be subject to such easements. Further, Developer reserves an access easement over all of the Lots for purposes of facilitating development, maintenance, and other legitimate purposes. Developer reserves unto itself, its successors and assigns, the right and easement, but not the obligation, to construct, install, maintain, repair and replace power, gas, sewer, telephone, and other utility lines, street lights, equipment and facilities and drainage ditches and natural drains, in, on, over and under the streets and roads and easements shown on the Plat, and to construct, install, operate, maintain, repair and replace lights, walls, fences, shrubbery, bushes and trees and other decorative or screening improvements in, on, over and under the property included within the areas designated as fences, drainage and/or utility easements, if any, with full right of ingress and egress to and from said streets and roads and easements across adjoining property; and the undersigned reserves unto itself and its successors and assigns the right to contract generally with others for the doing of any and all such things and the right to grant unto others such easements, rights and privileges as the undersigned may deem appropriate or convenient in connection therewith. Any drainage, utility, and/or access easements not maintained by any governmental authority or utility provider shall be maintained by the Association; provided, however, the owners of Lots burdened by any such easements shall be responsible for the routine maintenance (such as grass-cutting) of the areas on said Lots that are subject to easements. The Association shall have such easements as are reasonably necessary to facilitate the discharge of any of the Association's responsibilities.

21. **AMENDMENT OR MODIFICATION:** Any or all of the provisions of this Declaration may be annulled, amended, or modified at any time by an instrument executed by the owner or owners of not less than sixty percent (60%) of the Lots then considered part of the Community, which said instrument shall be acknowledged by each such owner signing same and shall be filed for record in the office of the Judge of Probate of Baldwin County, Alabama, PROVIDED, that no amendment shall place an additional burden or restriction or requirement on any lot the owner of which does not join in said amending instrument and provided further no amendment shall be valid without the prior written consent of Developer if Developer still owns any Lot subject to this Declaration or otherwise

then a part of the Community. Developer reserves the right to amend or modify this Declaration for and during such a period of time as Developer continues to own at least one (1) Lot in the Community.

22. **TERM:** The provisions in this Declaration shall run with the land and shall be binding on all lot owners, or upon all parties and persons claiming under or through them, each of whom shall, by virtue of his acceptance or acquisition of title or other interest, accept and agree to be bound by and to abide by all terms and provisions of this instrument, all of which shall be and remain in full force and effect until December 31, 2075. After which time said Restrictions shall automatically be extended for successive periods of ten (10) years, unless an instrument signed by at least sixty percent (60%) of the then owners of the Lots has been recorded, agreeing to change said covenants in whole or in part, prior to December 31, 2075, or prior to the then pending ten (10) year term, as the case may be.

23. **VIOLATIONS:** Any violation of these covenants shall not act as a cloud upon the title of the property concerned and title shall not be forfeited as a result of such violation.

24. **ENFORCEMENT:** If any person or persons shall violate or attempt to violate any of the Restrictions contained herein, it shall be lawful for Developer or any party owning any real property situated in said Subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such Restriction, either to prevent him or them from so doing or to recover damages for such violation, and in the event that it is the Developer who has filed legal action, it shall be entitled to receive an award of a reasonable attorney's fee for the successful prosecution of such an action. The Developer shall be under no obligation to enforce any of the Restrictions herein contained, but in the event that the Developer shall choose not to enforce the same, the owner of any lot in the Community may, as an individual, seek to enforce the same through lawful means.

25. OWNERS ASSOCIATIONS AND POTENTIAL ADDITIONAL COMMON FACILITIES:

Developer has caused or will cause the formation of the Association. All owners of the Lots in the Community shall be members of the Association. The Association shall be governed by a Board of Directors ("the Board"). Initially and during the Period of Developer Control as provided for in the Articles of Incorporation, the Association shall have three (3) Directors, all of whom shall be appointed by Developer. After the Period of Developer Control, the Board shall consist of five (5) Directors elected by the Members. Drafts of the Association's Articles of Incorporation and Bylaws are attached as Exhibits "E" and "F", respectively.

The Association shall hold title to and maintain all property that Developer may designate or set aside as common area, including, without limitation, all Common Areas shown as such on the Plat, the entrance way, and decorative street signs. The Association shall also be responsible for landscaping and sprinkler systems in the common areas and rights of way, and the street lights and paying the bills for the service provided thereto. The Association shall hold title to and/or maintain all easements not granted to or maintained by any governmental entity. If, and when Developer or any affiliate or successors elects to add other real property to the Community, the Association shall hold title to and maintain the common areas of the additional phases(s) to the extent that Developer or its affiliate or its successor so provides upon such addition.

The Association shall reimburse Developer as and when it has funds to do so the cost of common area and liability insurance purchased by Developer for the Association for the first year of insurance coverage.

All members of the Association, and by acceptance of a deed to a Lot, whether or not so expressed in such deed, are deemed to covenant and agree to pay to the Association annual general assessments or charges as herein described. All such assessments, together with interest thereon as provided below and the cost of collection thereof, including reasonable attorney fees, shall, as hereinafter provided, be the personal obligation of the owner of such property at the time such assessment becomes due. Such assessments, together with interest, costs, and

reasonable attorney fees, shall also be a charge and a continuing lien upon the Lot against which such assessment is made. Such lien may be perfected by filing a statement of lien in the appropriate records of the Office of the Judge of Probate of Baldwin, Alabama, setting forth the Lot upon which the lien is claimed, the amount for which the lien is claimed, and the name of the property owner. The lien shall be enforceable in accordance with Alabama law.

The general assessment levied by the Association annually shall be used exclusively for the maintenance of the common areas and the discharge of the Association's responsibilities as set forth above, and for such other expenses related thereto as the Association deems necessary.

By a two-thirds vote of the Board of Directors of the Association, the annual assessment rates shall be fixed on the basis provided above; provided, however, that the annual assessment shall be sufficient to meet the Association's obligations as budgeted. The Board shall set the date such annual assessments shall become due, and any assessment not paid within thirty (30) days from said date shall bear interest from the due date at a per annum percentage rate of twelve percent (12%) and be subject to an administrative charge equal to 25% of the delinquent amount. The Board may elect to require that annual assessments be paid in monthly installments. Upon any voluntary conveyance of a lot, the grantor and grantee of such lot shall be jointly and severally liable for all unpaid assessments pertaining to such lot to the extent that such assessments accrue to the date of such conveyance, without prejudice, however, on the part of the grantee to recover from the grantor any amounts paid by the grantee, but the grantee shall be exclusively liable for assessments accruing after grantee becomes lot owner.

Assessments for each Lot shall begin as of July 1, 2013, provided, however, that Developer may elect not to pay assessments on Lots owned by Developer as long as Developer covers any deficiency in the Association operations.

The maximum regular annual assessment shall be the sum determined by the Developer until such time as the Developer shall relinquish control to the Association. The regular annual assessment for the year beginning July 1, 2013 is \$1,200.00. The annual assessment for each year shall be due on January 1st and shall be paid no later than January 31st of that year or a \$50.00 late charge shall be assessed to any payment which is received after that date. The Board may elect to allow Owners to pay their annual assessments in periodic installments.

26. CHANGES; ADDITIONS; AND RESERVATIONS:

(a) Developer reserves the right to make such changes to this Declaration (a) as Developer may deem necessary in order to comply with or address a governmental regulation or similar directive or to meet any other requirement or limitation that binds Developer or the Community, or (b) as do not materially and unreasonably adversely affect any lot that Developer has already conveyed. Developer also reserves the right to cause property to be withdrawn from this Plat and/or from the scope of this Declaration and to make such other changes to the Plat as do not alter the boundaries of any lot not still owned by Developer. Further, Developer may, but is not obligated to, develop additional land, whether or not currently owned by such Developer, as additional phases of the Community. If Developer develops other land as additional phases of the Community, Developer shall record a supplemental declaration, in which case, owners of Lots in such additional phases(s) shall, if Developer so provides, become members of the Association in such then existing class designated by the Developer or in a new class then created by the Developer, and the provisions in this Declaration, except to the extent as is provided in the supplemental declaration in Developer's discretion, shall apply to the additional phases. Any common area included in any such additional phase as Developer elects to designate as common to all Owners in the Community shall be the responsibility of the Association. Developer reserves the right to access such additional development, if any, as Developer determines is appropriate. If Developer or any affiliate or any successor in interest elects to develop other land in the vicinity of the Community, such other land may or may not be developed, in such Developer's discretion, as an additional phase of the Community, and such other land may be developed as Developer or affiliate or successor sees fit.

(b) Developer and any entities permitted by Developer may build and/or maintain model homes in the Community and may use any common areas, including any clubhouse, as a sales office or for general office and/or promotional purposes related to the Community.

27. **WETLAND; FLOOD PLAIN LINES; FLOODING; FILL:** Each Owner acknowledges that the wetland lines and flood plain lines shown on the Plat are approximate; further, each Owner acknowledges such Owner's responsibility for determining whether wetlands exist on such Owner's Lot in addition to those wetlands shown on the Plat. Pursuant to requirements set forth in permitting from the United States Army Corps of Engineers applicable to Protected Wetlands within the Community, Developer has recorded a declaration of covenants, and all Owners shall adhere to the provisions thereof. Without limiting, and in addition to, the foregoing, no Owner of any Lot shall place fill in or excavate soil from any wetland area on said property. Further, no building shall be constructed within five (5) feet of any wetland. Each Owner acknowledges that Developer is not responsible or liable for any drainage, storm water discharge, flooding, etc., whether within or outside the confines of any easement areas, streets, or Lots or anywhere else. Each Owner acknowledges that such Owner's Lot may have been filled by Developer or others and agrees that, irrespective of whether such Owner's Lot has been filled in whole or part, such Owner shall be responsible for determining the quality of soils on such Owner's Lot and the suitability thereof for construction and other purposes.

28. **MANAGEMENT COMPANY:** Developer contemplates contracting with Management Company, on behalf of the Association, Guardian Association Management Group (Post Office Box 1304, Fairhope, Alabama 36532, (251) 367-1771, manager@guardianassociations.com, for general inquiries, bookkeeping@guardianassociations.com for accounts payable or owner account inquiries) or other management company as Developer may from time to time select. Any complaints concerning alleged covenant violations, requests or other correspondence to the Association, should be directed to the Association management company.

29. **SEVERABILITY:** Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall be and remain in full force and effect.

IN WITNESS WHEREOF, the Developer has caused this instrument to be executed as of the day and year first above written.

Fifteenth: Each director and officer of this Corporation shall be indemnified by the Corporation against all costs and expenses reasonably incurred or imposed upon him in connection with or arising out of any action, suit or proceedings in which he may be involved or to which he may be made a party by reason of his having been a director or officer of this Corporation, such expense to include the cost of reasonable settlements (other than amounts paid to the Corporation itself) made with a view to curtailment of costs of litigation. The Corporation shall not, however, indemnify such director or officer with respect to matters as to which he shall be finally adjudged in any such action, suit or proceedings to be liable for negligence or misconduct in the performance of his duty as such director or officer, or in respect to any matter in which any settlement or compromise is effected if the total expense, including the cost of settlement, shall substantially exceed the expense which might reasonably be incurred by such director or officer in conducting such litigation to final conclusion, and in no event shall anything herein contained be construed as authorizing this Corporation to indemnify any such director against any liability of the Corporation to which he would otherwise be subject by reason of willful malfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office. The foregoing right of indemnification shall be in addition to any other rights to which any such director or officer may be entitled as a matter of law or otherwise.

These Bylaws are for RAYNE PLANTATION PROPERTY OWNERS ASSOCIATION, INC. and are subject to the recorded Declaration of Restrictions and Covenants of Rayne Plantation. Terms defined in the said Declaration and not defined herein shall have the meaning ascribed to them in the Declaration. In these Bylaws, "Developer" shall mean RAYNE PLANTATION, INC. and its successors and assigns.

**ARTICLE I
OFFICES**

SECTION 1. REGISTERED OFFICE. The registered office of the corporation, required by the Alabama Non-Profit Corporation Law to be maintained in the State of Alabama may be, but need not be, identical with the principal office in the State of Alabama, and the address of the registered office may be changed from time to time by the Board of Directors.

**ARTICLE II
MEMBERS**

SECTION 1. PLACE OF MEETINGS. All meetings of members shall be held at a place determined, from time to time, by the Directors.

SECTION 2. ANNUAL MEETINGS. The annual meeting of the members shall be held at 2:00 P.M. on the second Monday of September in each year, beginning with the year 2014 unless during the Period of Developer Control, the Board of Directors shall elect to postpone the first annual meeting.

If this date shall fall upon a legal holiday, the meeting shall be held on the next succeeding business day. At each annual meeting, the members entitled to vote shall elect a Board of Directors and transact such other corporate business as may properly be brought before the meeting.

SECTION 3. SPECIAL MEETINGS. Special meetings of the members for any purpose or purposes, unless otherwise prescribed by statute, may be called by the President or by the Board of Directors, and shall be called by the President at the request of the owners of not less than ten percent of all votes entitled to be cast as such a meeting.

**Exhibit "F" to the
DECLARATION OF RESTRICTIONS AND COVENANTS OF RAYNE PLANTATION**

In order for the members to request such a meeting, the requisite percentage thereof shall deliver to the President or Secretary a statement in writing signed by the holders of the requisite percentage of Lots stating the purpose or purposes therefor.

SECTION 4. NOTICE OF MEETINGS. Written notice stating the place, day and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall, unless otherwise prescribed by statute, be delivered not less than ten or more than fifty days before the date of the meeting, either personally or by mail, by or at the direction of the President, or the Secretary, or the officer or other persons calling the meeting, to each member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at the address furnished by him to the Secretary in writing.

SECTION 5. PROXIES. At all meetings of members, a member may vote in person or by proxy executed in writing by the member or by his duly authorized attorney-in-fact. Such proxy shall be filed with the Secretary of the corporation before or at the time of the meeting. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

SECTION 6. QUORUM. Members holding one-fourth of the votes entitled to be cast at a meeting, represented in person or by proxy, shall constitute a quorum at a meeting of members. If less than one-fourth of the members are present or represented at a meeting, a majority of the members present or represented may adjourn the meeting from time to time without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at a meeting as originally noticed. The members at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. The vote of a majority of the members present or represented and entitled to vote at a meeting at which a quorum is present shall be necessary for the adoption of any matter voted upon by the members.

SECTION 7. INFORMAL ACTION BY MEMBERS. Any action required or permitted to be taken at a meeting of the members may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the members entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote of members, and may be stated as such in any writing or document filed under the laws of Alabama.

**ARTICLE III
BOARD OF DIRECTORS**

SECTION 1. GENERAL POWERS. Except as may be otherwise provided in the Articles of Incorporation, the business and affairs of the corporation shall be managed by the Board of Directors.

SECTION 2. NUMBER, TENURE AND QUALIFICATIONS. The number of directors of the corporation shall be three (3). Following the conclusion of the Period of Developer Control, the number of directors shall be increased to five (5). Each director shall hold office until the next annual meeting and until his successor shall have been elected and qualified. Directors appointed by Developer need not be

**Exhibit "F" to the
DECLARATION OF RESTRICTIONS AND COVENANTS OF RAYNE PLANTATION**

residents of the State of Alabama or members of the corporation. Otherwise, directors must be Members of the Corporation or spouses of Members.

SECTION 3. REGULAR MEETINGS. Regular meetings of the Board of Directors may be held with or without notice, at such places and times as shall be determined from time to time by resolution of the directors.

SECTION 4. SPECIAL MEETINGS. Special meetings of the Board of Directors may, and on the written request of any two directors, shall, be called by the President or the Secretary.

SECTION 5. PLACE OF MEETING. The Board of Directors may designate any place, either within or without the State of Alabama, as the place of meeting for any regular or special meeting of the Board of Directors. Members of the Board of Directors may participate in a meeting of such Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and participation by such means shall constitute presence in person at a meeting.

SECTION 6. NOTICE. Notice of any special meeting shall be given at least five days previously thereto by written notice delivered personally or mailed to each director at his business address, or by email. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, so addressed, with postage thereon prepaid. If notice be given by email, such notice shall be deemed to be delivered when the telegram is delivered to the email is actually received by the director. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting. If the President and Secretary refuse or fail to give notice of a special meeting on the written request of two directors, the notice of the same may be given by such two directors.

SECTION 7. QUORUM. Two-thirds of the directors serving on the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such number of directors is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.

If a quorum is present when the meeting is convened, the directors present may continue to do business, taking action by a vote of a majority of a quorum, until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum present, or the refusal of any director present to vote.

SECTION 8. MANNER OF ACTING. A two-thirds vote of the entire Board of Directors shall be necessary to fix the annual assessment; otherwise, the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

**Exhibit "F" to the
DECLARATION OF RESTRICTIONS AND COVENANTS OF RAYNE PLANTATION**

SECTION 9. ACTION WITHOUT A MEETING. Any action required or permitted to be taken by the Board of Directors at a meeting may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors.

SECTION 10. VACANCIES. Any vacancy occurring in the Board of Directors may be filled by the affirmative vote of a majority of the remaining directors though less than a quorum of the Board of Directors.
