8. ENCROACHMENTS. If any portion of the Common Elements now encroach upon the Private Elements of any Unit, or if the Private Elements of any Unit now encroach upon the Private Elements of any other Unit or upon any portion of the Common Elements, as result of the construction of the Building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the Building, or as a result of any construction done subsequent to the date hereof, a valid easement for the encroachment and for the maintenance of the same shall exist so long as such Building stands. In the event that any part of any Building shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Elements upon the Private Elements of any Unit or of the Private Elements of any Unit upon any other Unit or upon any portion of the Common Elements due to such rebuilding, shall be permitted and valid easements for such encroachments and the maintenance thereof shall exist so long as the building shall stand.

9. COVENANT AGAINST SUBDIVIDING. No Unit Owner shall by deed, plat, court decree or otherwise subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

10. COVENANT AGAINST PARTITION. In order to effectuate the intent hereof and preserve the Condominium and the Condominium method of ownership, the Common Elements shall remain undivided and no person, irrespective of the nature of his interest in the Common Elements, shall bring any action or proceeding for partition or division of the Common Elements or any part thereof until the termination of the Condominium Regime established by this Condominium Declaration in accordance with provisions herein elsewhere contained or until the Condominium Property is no longer tenatable, whichever first occurs, and in any event, all mortgages must be paid in full or all mortgagees must consent in writing, prior to bringing an action for partition.

The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities and all funds received by the Association shall be held and applied by it for the use and benefit of Unit Owners in accordance with the provisions of this Declaration and the By-Laws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The maximum number of votes for all members of the Association shall be equal to the total number of square feet in the Private Elements within the Condominium and shall be divided among the respective Unit Owners on the basis of one (1) vote per square foot of Private Elements within the individual Unit.

11.1 DEVELOPER'S RIGHT TO APPOINT DIRECTORS. Until such time as the Developer has completed and conveyed seventy (70%) percent of the Units located on the Property, or until Developer elects to terminate its control of the Condominium, or one (1) year from the sale and closing by Developer of the first Unit, whichever event shall first

occur, the Directors of the Association shall be designated by the Developer and such Directors need not be Unit Owners.

However, notwithstanding the foregoing, in the event Developer, pursuant to Paragraph 24., files an amendment or amendments to this Declaration submitting to the provisions hereof the Property described on Exhibit "B", then, for each such amendment, from the time of the filing of such amendment until Developer has completed and conveyed seventy (70%) percent of the Units located upon such additional property, or until Developer elects to terminate its control of the Condominium, whichever event shall first occur, the Directors of the Association shall be designated by the Developer and such Directors need not be Unit Owners; however, and notwithstanding the foregoing, Developer's right to appoint Directors for the Association shall terminate five (5) years from the date of recording this Declaration if not sooner terminated as herein provided.

11.2 MANAGEMENT OF PROPERTY. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part herein, to the extent deemed advisable by the Board, subject to the provisions of Subparagraph 11.3 below. The Board shall also have the authority (but not the obligation) to engage, supervise and control such employees as the Board deems advisable to clean and maintain all or any part of the Units to the extent the Board deems it advisable to provide such services for all or any portion of the Unit Owners. The cost of such services shall be a common expense.

11.3 INITIAL MANAGEMENT CONTRACT. The first Board, appointed as provided herein, may approve an initial management agreement. Until such time as the relinquishment of rights and control by Developer takes place in accordance with the provisions of Paragraph 11.1, management contracts shall not exceed one (1) year, and any such contract shall be terminable for cause upon thirty (30) days notice and without cause upon ninety (90) days notice.

11.4 USE BY DEVELOPER. During the period of sale by the Developer of any Units, the Developer and its agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled access, ingress to and egress from the Building and Property as may be required for the purposes of sale of Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by purchasers, the Developer and its employees may use and show one (1) or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

11.5 NON-LIABILITY OF THE DIRECTORS, BOARD AND OFFICERS. Neither the Directors, Board of Directors of the Association nor Officers shall be personally liable to the Unit Owners for any mistake of judgment or for any acts or omissions of any nature whatsoever as such Directors, Board or Officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the Directors, Board, and/or Officers, and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of the Articles of Incorporation of the Association, and the By-Laws, and the Association shall carry such insurance as the Board may prescribe to protect the Directors, Board and/or Officers under said indemnity.

11.6 BOARD'S DETERMINATION BINDING. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation of and/or application of the provisions of the Declaration, Articles of Incorporation of the Association or By-Laws, such dispute or disagreement shall be submitted to the Board. The determination of such dispute or disagreement by the Board shall be binding on each and all such Unit Owners, subject to the right of Unit Owners to seek other remedies provided by law after such determination by the Board.

12. OWNERSHIP OF THE COMMON ELEMENTS. Each Unit Owner shall be entitled to the percentage of ownership in the Common Elements allocated to the respective Unit owned by such Unit Owner, as set forth in Exhibit "C" attached hereto and by this reference made a part hereof. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners jointly in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the title to that Unit.

13. USE OF THE COMMON ELEMENTS. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to not only such Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Declaration, By-Laws and Rules and Regulations, which are attached hereto as Exhibit "F" and made a part hereof by reference, of the Association and the Unit Owners shall use the Common Elements in such manner as will not restrict, interfere with or impede the use thereof by other Unit Owners. In addition, the Association shall have the authority to rent, lease, grant concessions, servitudes or easements with respect to all parts of the Common Elements, subject to the provisions of the Declaration and By-Laws. All income derived by the Association from leases, concessions, servitudes, easements or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

14. PARKING AREAS. Each Unit shall have a designated parking space with the remaining parking spaces used on a "first come" basis subject to such Rules and Regulations for the use thereof as may be promulgated by the Board from time to time.

15. COMMON EXPENSES. Each Unit Owner, including the Developer, shall pay his proportionate share of the Common Expenses, subject, however, to the terms and provisions of Subparagraph 15.1 below. The proportionate share of the Common Expenses due by a Unit Owner shall be in accordance with that Unit's percentage sharing of the Common Expenses for the Common Elements as set forth in Exhibit "C". Payment of Common Expenses, including any prepayment thereof required by contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Articles of Incorporation of the Association. No Unit Owner shall be exempt from payment of his proportionate share of the Common Expenses by non-use or waiver of enjoyment of the Common Elements or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of the Common Expenses when due, the amount thereof, together with interest thereon at the rate of twelve (12%) percent per annum shall constitute a lien on the interest of such Unit Owner in the Property and his Unit, all as provided in the Act.

15.1 OWNER'S LIABILITY FOR AND DEVELOPER'S GUARANTEE RELATING TO COMMON EXPENSES DURING FIRST YEAR. The Budget sets forth and describes for each Unit within the Parcel and for each proposed Unit within any Future Phase an amount designated therein as the "Monthly Assessment". Notwithstanding anything contained in this Declaration to the contrary (including, but without limitation, the terms and provisions of Paragraph 15. above), for a period (hereinafter referred to as the "Initial Period") of one (1) year from and after the first

(1st) day of the calendar month next following the date of recording of this Declaration, each Unit Owner shall pay and be responsible for monthly, and his proportionate share of the Common Expenses shall be deemed to be, his respective Monthly Assessment, notwithstanding the fact that his proportionate share of the actual Common Expenses during the Initial Period may be greater or less than his respective Monthly Assessment. If the total Monthly Assessments payable during the Initial Period are greater than the actual Common Expenses incurred during the Initial Period, such excess shall be thereafter used as the Board may prescribe. However, if the total Monthly Assessments payable during the Initial Period are less than the actual Common Expenses incurred during the Initial Period, such deficiency shall be paid solely by Developer, it being agreed that Developer hereby guarantees the payment of all Common Expenses for the Initial Period which may be in excess of the total Monthly Assessments payable during such period.

15.2 ANNUAL BUDGETS. Annual budgets for each fiscal year of the Association shall be prepared and adopted by the Board pursuant to the By-Laws; provided, however, the Board shall not adopt a budget requiring assessments for Common Expenses in an amount exceeding one hundred fifteen (115%) percent of the Common Expenses for the preceding year unless the same is approved by a majority of the Unit Owners.

15.3 METERED UTILITIES. Each Unit Owner shall also pay for all utility services, including electricity and other utility services (including telephone), if any, separately metered for such Unit Owner's Unit. Each Unit Owner shall make such payments for separately metered utility services to the public utility company providing such utility service, if provided directly to the Unit Owner, or to the Association if such utility services are separately metered or submetered for the Units but charged to the Association. Because of requirements by Baldwin County Sewer Authority, Inc. in providing sewer service to the Property and because of requirements by Orange Beach Water and Sewer Authority, Inc. in providing water service to the Property, the charges for such services shall be charged to the Association and the Association shall assess same to the respective Unit Owners in accordance with the formula adopted by the Board of Directors for the Association.

15.4 ENFORCEMENT OF LIEN. The Board may bring an action at law against the Unit Owner personally obligated to pay the same, for collection of his unpaid proportionate share of the Common Expenses, or foreclose the lien against the Unit or Units owned by such Unit Owner, and interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment, all as provided by the Act. Each Unit Owner, by his acceptance of a deed to a Unit, hereby expressly vests in the Board or its agents the right and power to bring all actions against such Unit Owner personally for the collection of such charges as debt and to enforce the aforesaid lien by all methods available to the Act for the enforcement of such liens and each such Unit Owner hereby expressly grants to the Board a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Board and shall be for the common benefit of all Unit Owners. The Board, acting on behalf of the Unit Owners, shall have the power to bid upon an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey same.

15.5 MORTGAGE PROTECTION. The lien for Common Expenses payable by a Unit Owner shall be subordinate to the lien for a recorded first Mortgage on the interest of such Unit Owner, except for the amount of the proportionate share of Common Expenses which become due and payable from and after the date on which the Mortgage thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage. Where the holder of a first lien of record or a purchaser of a Unit obtains title to the Unit as a result of a foreclosure of a first lien, such acquirer of title, its or his heirs, successors and assigns, shall not be fully liable for payment of the share of Common Expenses or other assessments by the Association pertaining to such Unit or

chargeable to the former Unit Owner which became due prior to the acquisition of title to such Unit as a result of foreclosure. Such unpaid share of Common Expenses or other assessments shall be deemed to be a common expense collectible from all of the remaining Unit Owners including such acquirer, its or his heirs, successors and assigns. This Subparagraph 15.5 shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees of record.

16. MORTGAGES. Each Unit Owner shall have the right, subject to the provisions herein, to make separate Mortgages on his respective Unit, together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create or cause to be made or created from the date hereof any Mortgage or other lien on or affecting the Property, or any part thereof, except of his own Unit and the respective percentage interest in the Common Elements appurtenant thereto.

17. SEPARATE REAL ESTATE TAXES. Taxes, assessments and other charges of any taxing or assessing authority shall be separately assessed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act (Section 35-8-15, Code of Alabama, 1975).

18. INSURANCE. The Board shall have the authority to and shall obtain insurance for the Property, exclusive of decoration of the Units or decoration of the Limited Common Elements by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement costs shall be deemed the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to the Board as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in the Declaration, and for the holders of Mortgages on his Unit, if any. If the Property described herein is ever designated as a part of a flood plain area or any other designation which would make such property subject to the Federal Flood Insurance Act of 1968, as amended heretofore or hereafter, or any similar law, then Board shall do everything within its power to comply with the requirements of said law (including all regulations and other requirements applicable thereto) and to obtain such flood insurance on behalf of the Unit Owners and their respective mortgagees. Such policies shall provide that same cannot be cancelled or substantially modified without at least ten (10) days prior written notice to the Association and to each holder of a first Mortgage which is listed as holder of a first Mortgage in the insurance policy. Such policies of insurance must also contain a waiver of subrogation rights by the insurer against individual Unit Owners and members of their household. The premium for such insurance shall be a common expense.

The following provisions shall apply with respect to damage by fire or other causes:

(a) If any one of the Buildings is damaged by fire or other casualty and said damage is limited to a single Unit, all insurance proceeds shall be paid to the Unit Owner or one or more Mortgagees of such Unit, as their respective interests may appear, and such Unit Owner or Mortgagee shall use the same to rebuild or repair such Unit substantially in accordance with the original plans and specifications therefor. If such damage extends to two or more Units, or extended to any part of the Common Elements, such insurance proceeds shall be paid to the Board, as trustee, or to such bank or trust company as may be designated by amendment hereof, to be held in Trust for the benefit of the Unit Owners and their Mortgagees as their respective interests may appear. The Board shall thereupon contract to repair or rebuild the

damaged portions of all Units, the Buildings, and the Common Elements substantially in accordance with the original plans and specifications therefor and the funds held in the insurance trust fund shall be used for this purpose. If the insurance proceeds are insufficient to pay all of the costs of repairing or rebuilding, the Board shall levy a special assessment on all Unit Owners, in proportion to the percentage of interest of each Unit Owner in the Common Elements, to make up any deficiency. If any Unit Owner shall fail to pay the special assessment within thirty (30) days after they levy thereof, the Board shall make up the deficiency by payment from the common expense fund; provided, however, that such Unit Owner shall remain liable for such special assessment.

(b) Notwithstanding the provisions of Subparagraph (a) above, reconstruction shall not be compulsory where the whole or more than sixty-seven (67%) percent of all Units and of the Common Elements is destroyed or damaged by fire or other casualty, as determined by the Board.

In such case, and unless otherwise unanimously agreed upon by the Unit Owners, the insurance proceeds shall be delivered to the Unit Owners or their Mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, and all funds held by said insurance trustee shall thereupon be distributed to the Unit Owners or their Mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Common Elements.

(c) Within sixty (60) days after any such damage occurs, the Managing Agent or the Board shall, or if they do not, any Unit Owner, the insurer, the insurance trustee or any Mortgagee may record a sworn declaration stating that such damage has occurred, describing it, identifying the Building suffering such damage, the name of any insurer against whom claim is made, and the name of any insurance trustee, reciting that the sworn declaration is recorded pursuant to this paragraph of this Declaration, and that a copy of such sworn declaration has been served pursuant to the provisions of Paragraph 36. hereof on the Unit Owners.

(d) If the Unit Owners shall not rebuild pursuant to Subparagraph (b) above, and the Board fails to consummate a sale pursuant to said Subparagraph (b) within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent, or the Board shall, or if they do not, any Unit Owner or Mortgagee may record a sworn declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Condominium Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Alabama. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

The Board shall also have the authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, Mortgagee of record, if any, the Association, its Officers, Directors, Board and employees, and the Managing Agent, if any, from liability in connection with the Common Elements; however, such coverage shall be for at least one million (\$1,000,000.00) dollars for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under such policy or policies shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the common areas, and legal liability arising out of lawsuits relating to employment contracts of the Association. In

addition, such policies shall provide that they may not be cancelled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association and to each holder of a first Mortgage which is listed as a holder of a first Mortgage in the insurance policy. The premiums for such insurance shall be a common expense.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and Officer of the Association and member of any committee appointed pursuant to the By-Laws of the Association from liability arising from the fact that said person is or was a Director or Officer of the Association, or a member of such a committee. The premiums for such insurance shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the contents of the Limited Common Elements serving his Unit, as well as his decorations, furnishings, interior and non-supporting walls, and personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the Common Expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

19. MAINTENANCE, REPAIRS AND REPLACEMENTS. Except to the extent the Board provides for (at its option and discretion) maintenance of the Units for Unit Owners, each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit. Maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements within the Units to the extent the Board elects to provide such services and within the Common Elements shall be part of the Common Expenses, subject to the By-Laws, Rules and Regulations of the Association. At the discretion of the Board, maintenance of, repairs to and replacements within the Limited Common Elements may be assessed in whole or in part to Unit Owners benefited thereby and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to and replacements within the Limited Common elements to arrange for such maintenance of, repairs to and replacements in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanic's or materialmen's lien claims that may arise therefrom. However, maintenance of windows (excluding frames) and doors will be the sole responsibility of the respective Unit Owners whose Unit enjoys the use of the said windows and doors.

In addition to the discretionary authority provided herein for maintenance of all or any portion of the Units, the Board shall have the authority to maintain and repair any Unit, if such maintenance or repair is reasonably necessary in the discretion of the Board to protect the Common Elements or preserve the appearance and value of the Property, and the Unit Owner of said Unit has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity of said maintenance or repair delivered by the Board, and the Board shall levy a special assessment against the Unit of such Unit Owner for the cost of said necessary maintenance or repair.

If, due to the act or neglect of a Unit Owner, or his agent, servant, tenant, family member, invitee, or licensee, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required which would otherwise be

a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair or replacements, as may be determined by the Association; however, the provisions of this Paragraph are subject to the provisions of Paragraph 18. hereof providing for waiver of subrogation rights with respect to casualty damage insured against under the policies of insurance maintained by the Board.

Each Unit Owner (except the Developer), upon acquisition of a Unit, shall be required to pay in advance a sum equivalent to one (1) month's assessment for Common Expenses which includes the reserve for replacement of the Common Elements. In addition, a working capital fund must be established for the initial months of the condominium operations equal to at least two (2) months estimated administrative costs to be incurred by the Board in the operation of the Condominium for each Unit. This contribution shall be transferred to the Association at the time of closing and shall be maintained in a segregated account in the name of and for the use and benefit of the Association. The purpose of the fund is to insure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board for the Association.

The authorized representatives of the Association or Board, or the Managing Agent, with approval of the Board and Department of Housing and Urban Development, Federal National Mortgage Association and Veterans Administration, shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements or Limited Common Elements of any equipment, facilities or fixtures affecting or serving other Units, Common Elements and Limited Common Elements or to make any alteration required by a governmental authority and in order to carry out the intent and purpose of this Paragraph, there is specifically granted to the Board and its authorized representatives, servitudes through the Units and Common Elements for maintenance, repair and/or replacement of portions of the Units and Common Elements. Use of these servitudes, however, for access to the individual Units, shall be limited to reasonable hours, except that access may be had at any time in case of emergency.

20. ALTERATIONS, ADDITIONS OR IMPROVEMENTS. Except as provided in Paragraph 21. herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as Common Expenses alterations, additions and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner may make alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

21. DECORATING. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window sheers, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floor and ceilings of his Unit, and any balconies and terraces constituting a part thereof, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each Unit Owner shall have the right to decorate such interior surfaces, from time to time, as he may see fit and at his sole expense. Decorating the Common Elements (other than interior surfaces within the Units as above provided and other than of Limited Common Elements) and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to

Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expense. All windows forming part of a perimeter wall of a Unit shall be cleaned and washed at the expense of the Unit Owner of that Unit. No Unit Owner shall enclose the balcony of his Unit or decorate the portions of such balcony visible from outside such Unit in any manner which detracts from the appearance of the Building, and the determination of the Board on such matters shall be final.

22. USE AND OCCUPANCY RESTRICTIONS. Subject to the provisions of this Declaration and By-Laws, no part of the Property may be used for purposes other than residential and the related common purposes for which the Property was designed. Each Unit or any two (2) or more adjoining Units used together, shall be used as a residence. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incidental to the principal residential use and not in violation of said restrictions.

The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customer, invitees and licensees for access, ingress to and egress from the respective Units and for other purposes incidental to use of the Units; provided, however, the garbage, storage areas and other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operations of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part of or all of said Common Elements.

Without limiting the generality of the foregoing provisions of this Paragraph 22., use of the Property by the Unit Owners shall be subject to the following restrictions:

(a) Nothing shall be stored in or upon the Common Elements without prior consent of the Board except storage areas or as otherwise herein expressly provided;

(b) Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance for the Property without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in his Unit or in or on the Common Elements which will result in the cancellation of insurance on any Unit, or any part of the Common Elements, or which will be in violation of any law;

(c) No waste shall be committed in or on the Common Elements.

(d) Each Unit Owner shall keep and maintain the interior of his Unit in good condition and repair, including all appliances, the entire air conditioning system (including compressors, ducts and vents) serving the Unit (whether the same is inside or outside the Unit), and all electrical systems, water lines and other fixtures located within the Unit;

(e) Each Unit Owner shall provide and maintain garbage and trash receptacles as may be directed by the Board, and all garbage and trash shall be kept in said receptacles.

(f) No Unit Owner or Occupant shall play upon, or suffer to be played upon, any musical instrument, or permit to be operated a phonograph or radio loudspeaker in any Unit or on the Property between the hours of 11:00 p.m. and the following 9:00 a.m., if the same may tend to disturb or annoy other Occupants of the Buildings nor shall any

REC-45 PAGE 1026

Occupant or Unit Owner commit or permit any nuisance or immoral or illegal act in his Unit or on the Property;

(g) Subject to Developer's rights under this Declaration, no sign of any kind shall be displayed to the public view on or from any Unit or the Common Elements without the prior written consent of the Board or the written consent of the Managing Agent acting in accord with the Board's direction;

(h) No noxious or offensive activity shall be carried on in any Unit or on or in the Common Elements nor shall anything be done therein which may be or become an annoyance or nuisance to the other Unit Owners;

(i) Except as expressly provided hereinabove, nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Board;

(j) No structure of a temporary character, trailer, tent, shack, garage, barn, or other outbuildings shall be permitted on the Property at any time temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof;

(k) Outdoor drying of clothes, bedding or similar items are not permitted;

(l) Parking of vehicles in driveways and parking areas shall be subject to the rules and regulations of the Board applicable thereto;

(m) Except within individual Units, no planting, transplanting or gardening shall be done and no fences, hedges or walls shall be erected or maintained upon the Property, except as approved by the Board;

(n) Motorcycles, motor bikes, motor scooters or other similar vehicles shall not be operated within the Property except for the purpose of transportation, it being intended that said vehicles shall not be operated within the Property so as to annoy or disturb persons or endanger persons or property.

(o) No nuisances shall be allowed upon the Condominium Property nor shall any use or practice be allowed which is a source of annoyance to residents or which interferes with the peaceful possession and proper use of the Condominium Property by its residents. All parts of the Condominium Property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate nor any fire hazard allowed to exist. No Unit Owner shall permit any use of his Unit or of the Common Elements which will increase the premium rate of casualty or liability insurance upon those portions of the Condominium Property insured by the Association, except with the express approval of the Association.

(p) No immoral, improper, offensive or unlawful use shall be made of the Condominium Property nor any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The respective responsibilities of Unit Owners and the Association of complying with the requirements of governmental bodies which require maintenance, modification or repair of the Condominium Property shall be the same as hereinabove provided for the maintenance and repair of that portion of the Condominium Property subject to such requirements;

(q) Neither the Board nor the Association shall take nor permit to be taken any action that unlawfully discriminates against one or more Unit Owners.

23. REMEDIES. In the event of any violation of the provisions of the Act, Declaration, Articles of Incorporation of the Association, By-Laws or Rules and Regulations of the Board or Association by any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit), the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Act, Declaration, Articles of Incorporation, By-Laws or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief as may be permitted by law. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of twelve (12%) percent per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the Common Expenses, and the Board shall have a lien for all of the same, as well as for non-payment of his respective share of the Common Expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a prior recorded first Mortgage on the interest of such Unit Owner, except for the amount of the proportionate share of said Common Expenses which becomes due and payable from and after the date on which the said Mortgage owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein other than through a deed in lieu of foreclosure or forecloses its Mortgage. This Paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of Mortgages against Units.

In the event of any such default by any Owner, the Board or the Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise by the Board.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration: (a) to enter upon the Unit, or any portion of the property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions, hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession of such Unit Owner's interest in the property and to maintain an action for possession of such Unit in the manner provided by law.

24. ADDITIONS OF FUTURE PHASES. Developer annexes hereto as Exhibit "B" the legal description of certain other real estate ("Future Phases") owned by Developer. Developer may construct on said real property in one or more additional phases on or before five (5) years from the date of recordation of this Declaration, a maximum of ninety-two (92) additional residential Units. By this Declaration, Developer does not submit such Future Phases to the provisions of this Declaration. However, if and when Developer should construct any such additional Units, Developer shall have the right to add same to the

MSL

AGE 1028

Property and submit the same to the provisions of this Declaration upon the following terms and conditions:

(a) Any such addition or additions shall be made by, and shall become effective upon, Developer filing in the Probate Court Records of Baldwin County, Alabama, a supplemental declaration (hereinafter referred to as the "Supplemental Declaration"). No other formality or instrument shall be required. The Supplemental Declaration shall not require the joinder or consent of the Board, the Association, any Unit Owner, or any other third parties; provided, however, the Supplemental Declaration shall require the joinder of the Veterans Administration of the United States of America or Department of Housing and Urban Development or Federal National Mortgage Association if such joinder is required by any of said agencies.

(b) Any improvements which may be erected in the Future Phase will be compatible with the existing improvements in terms of architectural style, quality of construction, principal materials employed in construction and size; however, Developer reserves the right to construct within such Future Phases a multiple story concrete tower.

(c) If Developer adds the Future Phases, then the percentage of ownership in the Common Elements allocated to each respective Unit shall change and shall be as described in Exhibit "C" attached hereto and by this reference made a part hereof. Each respective Unit Owner's percentage sharing of the Common Expenses will change, and will decrease generally as each successive phase is added due to an increase in the operating base as shown on Exhibit "G". Each respective Unit Owner's voting rights will remain as one (1) vote per square foot of Private Elements within each individual Unit with the aggregate number of votes equaling the total number of square feet in the Private Elements in the Condominium existing at the time such voting rights are exercised; and

(d) All covenants in the Condominium Declaration affecting use, occupancy and alienation of Units will apply to Units created within the additional parcel of immovable property which may be later added to the Condominium Regime;

(e) The Supplemental Declaration may contain such further provisions as Developer deems necessary to the Property and to effectively add a Future Phase to the Property; and

(f) Anything herein to the contrary notwithstanding, Developer does not hereby commit itself to submit the Property described in Exhibit "B", in whole or in part, to the condominium form of ownership and use under the terms of this Declaration and, unless submitted to the terms of this Declaration under the terms of this Paragraph 24., Developer shall have the right to develop any portion of said Property in any manner and to any extent Developer sees fit, or to decline to develop said Property entirely.

(g) Developer reserves the right to assign and transfer all rights herein reserved by Developer.

25. SALES AND OTHER TRANSFERS.

25.1 No Unit Owner shall sell, assign, convey or otherwise transfer his Unit or any interest therein unless, at least ten (10) days prior to any such sale, assignment, conveyance or transfer, he gives written notice to the Board of the name and address of each proposed purchaser, assignee or transferee. The purpose of this Paragraph 25. is to make certain that any proposed purchaser, assignee or transferee is made aware of the provisions of this Declaration, as well as any delinquent assessments, if any attributable to the applicable Unit, prior to the consummation of any such purchase, assignment or transfer.

25.2 In the event of a resale of a Unit by a Unit Owner other than the Declarant, the Unit Owner shall furnish to a purchaser, before execution of any contract to purchase a Unit, or otherwise before

MSC. 45 PAGE 1029

conveyance, a copy of the Declaration, other than plats and plans, a copy of the Articles of Incorporation creating the Association, the By-Laws and a certificate containing:

(a) A statement setting forth the amount of any current common expense assessments;

(b) A statement of any capital expenditures approved by the Association for the current and next two (2) succeeding fiscal years;

(c) A statement of the amount of any reserves for capital expenditures and of any portions of those reserves designated by the Association for any specific projects;

(d) The most recent balance sheet and income and expense statement of the Association, if any;

(e) The current operating budget of the Association, if any;

(f) A statement of any unsatisfied judgments against the Association and the status of any pending suits to which the Association is a party; and

(g) A statement describing any insurance coverage provided by the Association;

25.3 The Association, within ten (10) days after a request by a Unit Owner, shall furnish a certificate containing the information necessary to enable a Unit Owner to comply with this Section. The Unit Owner providing a certificate pursuant to this Section, shall not be liable to the purchaser for any erroneous information provided by the Association and included in the certificate. Further, a Unit Owner is not liable to a purchaser for the failure or delay of the Association to provide the certificate in a timely manner; however, the contract of purchase shall be voidable by the purchaser, until a certificate has been provided and for five (5) days thereafter, or until conveyance, whichever first occurs.

26. AMENDMENT. The provisions of this Declaration may be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission and signed and acknowledged by Unit Owners owning not less than sixty-seven (67%) percent of the total ownership of Common Elements; provided, however, that all lien holders of record have been notified by certified mail of such change, modification or rescission and an affidavit by the secretary of the Association certifying to such mailing is made part of such instrument; provided further, however, the provisions of Paragraph 24. hereof may not be changed, modified or rescinded without the prior written consent of Developer. Except as expressly provided in Paragraph 24. above, the percentage ownership of the Common Elements provided for in this Declaration shall not be amended or modified without the consent of all Unit Owners and of all Mortgagees.

However, if the Act, the Declaration or the By-Laws require the consent or agreement of all Unit Owners or of all Mortgagees for any action specified or rescinding any provision of this Declaration with respect to such action, then, in that event, such consent or agreement shall be in writing and shall be signed by all the Unit Owners or all Mortgagees or both as required by the Act or this Declaration or the By-Laws.

Developer shall have the authority, without the joinder or consent of any other party including specifically, but not by way of limitation, a Unit Owner or Mortgagee of a Unit to make any amendment of this Declaration necessary to clarify any apparently conflicting provisions hereof, and/or correct any mistakes or errors of a clerical nature resulting from typographical or similar errors.

Any change, modification or rescission, whether accomplished under any one or more of the provisions of the preceding paragraphs shall be effective upon recording of such instrument in the Baldwin County, Alabama, Probate Court; provided however, that no provisions in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

27. RIGHTS AND OBLIGATIONS. Each grantee of the Developer, by the acceptance of the deed of conveyance from the Developer, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, the Articles of Incorporation of the Association, the By-Laws of the Association, and shall be subject to the terms of the Regulatory Agreement executed by the Association and the Secretary of Housing and Urban Development, which Agreement is made a part hereof and is attached hereto as Exhibit "H". All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

28. PRIOR MORTGAGEE APPROVAL. The prior written approval of each institutional holder of a first Mortgage, deed of trust or equivalent security interest on the Units in the project will be required for at least the following:

28.1 The abandonment or termination of the Project, except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

28.2 Any material amendment to the Declaration or to the Articles of Incorporation of the Association or to the By-Laws of the Owners Association including, but not limited to, any amendment which would change the percentage interests of the Unit Owners in the project; and

28.3 The effectuation of any decision by the Owners Association to terminate professional management and assume self-management of the Project.

29. LEASES. No Owner may lease less than the entire Unit. Any lease agreement shall be required to provide that the terms of the lease shall be subject in all respects to the provisions of the Declaration and the By-Laws, and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease.

30. MORTGAGEE RIGHTS. Any institutional holder of a First Mortgage on a Unit in the Project will, upon request, be entitled to:

(a) Inspect the books and records of the Project during normal business hours;

(b) Receive an annual audited financial statement of the Project within ninety (90) days following the end of any fiscal year of the Project; and

(c) Receive written notice of all meetings of the Owners Association and be permitted to designate a representative to attend all such meetings.

31. DAMAGE OR DESTRUCTION. In the event of a substantial damage to or destruction of any Unit or any part of the Common Elements, the institutional holder of any first Mortgage on a Unit will be entitled to timely written notice of any such damage or destruction.

32. EMINENT DOMAIN. If all or any part of the Property is taken or threatened to be taken by eminent domain or by power in the nature of eminent domain (whether permanent or temporary), the Association and each Owner shall be entitled to participate in proceedings incident thereto at their respective expense. The Association shall give timely written notice of the existence of such proceedings to all Owners and to all first Mortgagees known to the Association to have an interest in an Condominium Unit. The expense of participation in such proceedings by the Association shall be borne by the Common Fund. The Association is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Association, in its discretion, deems necessary or advisable to aid or advise it in matters relating to such proceedings. All damages or awards for such taking shall be deposited with the Association and such damages or awards shall be applied as provided to defend or resist any such proceedings, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of such condemnation proceedings. With respect to any such taking, all damages and awards shall be determined for such taking as a whole and not for each Owner's interest therein. After the damages or awards for such taking are determined, such damages or awards shall be paid to the account of each Owner and first Mortgagee, if any, as their interests may appear in proportion to their percentage ownership interest in the General Common Elements to be applied or paid as set forth in the attached Exhibit "C", unless restoration takes place as herein provided. The Association, if it deems advisable, may call a meeting of the Owners at which meeting the Owners, by a majority vote, shall decide whether to replace or restore, as far as possible, the General Common Elements so taken or damaged. In the event it is determined that the General Common Elements should be replaced or restored by obtaining other land or building additional structures, this Declaration and the Plat attached hereto shall be duly amended by an instrument executed by the Association on behalf of the Owners. In the event such eminent domain proceeding results in the taking or damage to one or more, but less than sixty-seven (67%) percent of the total number of Condominium Units, then the damage and awards for such taking shall be determined for each Condominium Unit and the following shall apply:

(a) The Association shall determine which of the Condominium Units damaged by such taking may be made tenantable for the purposes set forth in the Declaration, taking into account the nature of this Condominium Project and the reduced size of each Condominium Unit so damaged.

(b) The Association shall determine whether it is reasonably practical to operate the remaining Condominium Units of the Project, including those damaged Units which may be tenantable, as a Condominium in the manner provided in this Declaration.

(c) In the event the Association determines it is not reasonably practical to operate the undamaged Condominium Units and the damaged Units which can be made tenantable, then the Condominium Project shall be deemed to be regrouped and merged into a single estate owned jointly in undivided interests by all Owners, as owners in indivision, in the percentage ownership interest previously owned by each Owner in the General Common Elements.

(d) In the event the Association determines it will be reasonably practical to operate the undamaged Condominium Units and the damaged Units which can be made tenantable as a Condominium Unit, then the damages and awards made with respect to each Unit which has been determined to be capable of being made tenantable shall be applied to repair and to reconstruct such Condominium Unit so that it is made tenantable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against those Condominium Units which are tenantable. With respect to those Units which may not be tenantable, the award made shall be paid as set forth in Exhibit "C" of the Declaration hereof, and the remaining portion of such Units, if any, shall become a part of the General Common Elements.

Upon payment of such award for the account of such Owner as provided herein, such Condominium Unit shall no longer be a part of the Condominium Project, and the percentage ownership interest in the General Common Elements appurtenant to each remaining Condominium Unit which shall continue as a part of the Condominium Project shall be equitably adjusted to distribute the ownership of the undivided interest in the General Common Elements among the reduced number of Owners and the Association shall promptly prepare, execute and record an Amendment to the Declaration reflecting the reallocation. If the entire Condominium Project is taken, or sixty-seven (67%) percent or more of the Condominium Units are taken or damaged by such taking, all damages and awards shall be paid to the accounts of the Owners of Units, as provided herein, in proportion to their percentage ownership interests in the General Common Elements; and this Corporation Regime shall terminate upon such payment. Upon such termination, the Condominium Units and General Common Elements shall be deemed to be regrouped and merged into a single estate owned in undivided interests by all Owners as tenants-in-common in the percentage ownership interest previously owned by each Owner in the General Common Elements. Any damages or awards provided in this Paragraph shall be paid to or for the account of any Owner and first Mortgagee, if any, as their interest may appear.

33. MANAGEMENT AGREEMENT. Any management agreement for the Project will be terminated by the Owners Association for cause upon thirty (30) days written notice thereof by a vote of not less than a majority of the individual Unit Owners other than the Developer within a one (1) year period immediately following the date on which individual Unit Owners, other than the Developer, assume or acquire control of the Association and shall further be terminable without cause by a vote of not less than the majority of the individual Unit Owners, other than the Developer, within a thirty (30) day period immediately following the date on which the individual Unit Owners, other than the Developer, assume or acquire control of the Association upon not less than ninety (90) days written notice to the Management Agent, and the term of any such agreement may not exceed one (1) year; however, such agreement may be renewable by the parties for successive one (1) year periods.

34. UNIT OWNER DEFAULT. The Owners Association shall, upon written notice, give the holders of first Mortgages prompt notice in the event of a default in the Unit Mortgagor's obligations under the Condominium documents which is not cured within thirty (30) days of default.

35. FIDELITY COVERAGE. The Association shall maintain adequate fidelity coverage to protect against dishonest acts by its officers, directors and employees who are responsible for handling Association funds. Said coverage shall name the Association as obligee, be written in an amount of at least one hundred fifty (150%) percent of the estimated annual operating budget, contain waivers of any defense based on exclusion of employees who serve without compensation, and shall not be cancelled or substantially modified without at least ten (10) days notice to all first Mortgagees of record. The premium for such insurance shall be a common expense.

36. NOTICES. Notices provided for in the Act, Declaration or By-Laws shall be in writing and shall be addressed to the Association or Board or to any Unit Owner, as the case may be, at Star Route B, Box 1240, Orange Beach, Alabama 36561, or at such other address as hereinafter provided. The Association or Board may designate a different address or addresses for notices to the, respectively, by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States Mail with postage prepaid or when delivered in person.

Upon written request to the Board, the holder of any recorded Mortgage encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such Mortgage.

37. SEVERABILITY. If any provision of the Declaration or By-Laws or any section, paragraph, sentence, clause, phrase, word, or the application thereof, in any circumstance is held invalid, the validity of the remainder of this Declaration and the By-Laws and of the application of any such provision, section, paragraph, sentence, clause, phrase or word in any other circumstance shall not be affected thereby and the remainder of this Declaration or the By-Laws shall be construed as if such invalid part was never included therein.

38. SPECIAL AMENDMENTS. Developer hereby reserves and is granted the right and power to record a Special Amendment to this Declaration at any time, and from time to time, which amends this Declaration (a) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Association, the Veterans Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities and/or (b) to induce any of such agencies or entities to make, purchase, sell, insure or guarantee first Mortgages governing Units. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make or consent to a Special Amendment on behalf of each Unit Owner. Each title, mortgage, other evidence of obligation or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of and a consent to the reservation of, the power to the Developer to make, execute and record Special Amendments. No Special Amendment made by Developer shall affect or impair the lien of any first Mortgage upon a Unit or any warranties made by an Owner in order to induce any of the above agencies or entities to make, purchase, insure or guarantee the first Mortgage on such Owner's Unit.

IN WITNESS WHEREOF, Developer has caused this instrument to be executed on its behalf by Thomas G. Nonnenmacher, as its President and its corporate seal to be affixed and attested, all duly authorized on the day and year first set forth above.

LEI LANI CONDOMINIUM
LIMITED WARRANTY

This Agreement made this _____ day of _____, 198_, by and between WATER VIEW DEVELOPMENTS, INC., a corporation, (hereinafter referred to as "Developer") and _____

(hereinafter referred to as "Purchaser") of Unit _____ of Lei Lani Condominium, as established by Declaration of Condominium recorded in Miscellaneous Book _____, Pages _____, et seq., of the Baldwin County, Alabama, Probate Court Records (hereinafter referred to as "Property").

WHEREAS, Developer has caused to be built for sale to Purchaser or under contract with Purchaser a Condominium Unit situated in the County of Baldwin, State of Alabama, on the above property; and

WHEREAS, Builder does hereby agree to give a limited warranty on the property for a period of one (1) year following closing or occupancy by Purchaser, whichever event shall first occur, upon the following condition.

NOW, THEREFORE, in consideration of the payment of the purchase price of the Property and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and the mutual agreement hereinafter set forth, the parties hereby agree as follows:

1. Not later than thirty (30) days after closing or occupancy, whichever event shall first occur, Purchaser shall deliver a written list of any minor omissions or malfunctions not previously made known in writing to Developer. To the extent that such items are a normal Developer responsibility or not otherwise excluded hereunder, corrections or adjustments will be made by Developer.

2. Developer warrants the above Property to be free from latent defects for a period of one (1) year following closing or occupancy, whichever event shall first occur.

A latent defect in construction is herein defined as a defect not apparent at time of occupancy or closing, but which becomes apparent within one (1) year from date of closing or occupancy, whichever event shall first occur, and such defect has been directly caused by Developer's failure to construct in accordance with the standards of construction prevailing in the geographical area of the Property. It is stressed, however, that normal characteristic behavior of building materials, wear and tear, general maintenance, and like items, will not constitute a latent defect.

PROCEDURE: Should it appear that a possible latent defect (non-emergency) nature) has developed, Purchaser shall outline pertinent details in writing and deliver same to Developer. Following receipt of such notice, Developer will make an inspection. If a latent defect exists, Developer will (at Developer's sold option) either (a) repair, (b) replace, or (c) pay to Purchaser the reasonable cost of such repair or replacement due to such latent defect(s); however, Developer shall not be obligated to spend more than the purchase price of the Property.

NOTWITHSTANDING ANYTHING TO THE CONTRARY STATED HEREIN, THIS WARRANTY DOES NOT COVER ANY APPLIANCE, PIECE OF EQUIPMENT, OR ITEM WHICH IS A CONSUMER PRODUCT FOR PURPOSES OF THE MAGNUSON-MOSS WARRANTY ACT (15 U.S.C., SECTION 2301 THROUGH 2312). THIS WARRANTY IS GIVEN IN LIEU OF ANY AND ALL OTHER

WST. 45 PAGE 1062

WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY AND WORKMANSHIP, EXCEPT, IF APPLICABLE, SUCH WARRANTY AS SPECIFICALLY STATED IN ANY REQUIRED VA/FHA WARRANTY DELIVERED SIMULTANEOUSLY HERewith.

3. Developer shall not be liable under this Agreement unless written notice of the latent defect shall have been given by Purchaser to Developer within the one (1) year warranty period. Steps taken by Developer to correct any defect or defects shall not act to extend the warranty period described hereunder.

4. Purchaser waives all right to file any legal action hereunder upon expiration of six (6) months after the end of the one (1) year warranty period.

5. Developer hereby assigns to Purchaser all of Developer's rights, if any, under manufacturer's warranties on appliances and items of equipment included in the Property. Developer assumes no responsibility for such manufacturer's warranties and Purchaser should follow the procedures in these warranties if defects appear in such appliances and items of equipment.

6. Developer does not assume responsibility for any of the following, all of which are expressly excluded from coverage under this Limited Warranty:

(a) Defects in appliances and pieces of equipment which are covered by manufacturer's warranties.

(b) Incidental, consequential, or secondary damages caused by a breach of this warranty.

(c) Defects which are the result of characteristics common to the materials used, such as (but not limited to) warping and deflection of wood; fading, chalking and checking of paint due to sunlight; cracks due to drying and curing of concrete, stucco, plaster, bricks and masonry; drying, shrinking and cracking of caulking and weatherstripping.

(d) Conditions resulting from condensation on, or expansion or contraction of, materials.

(e) Defective design of materials supplied by Purchaser or installed under his direction; or defects in, or caused by anything not built into, or installed in the Property pursuant to contract between Developer and Purchaser.

(f) Damages due to ordinary wear and tear, abusive use, or lack of proper maintenance of the Property.

(g) Loss or injury due to the elements.

(h) Landscaping or any portion thereof is hereby expressly excluded from this warranty including sodding, seeding, shrubs, trees and plantings.

(i) Insect damage of any nature whatsoever.

(j) Non-uniformity of appearance of used or simulated used brick.

(k) Chips, scratches, or mars in tile, woodwork, walls, porcelain, brick, plumbing fixtures, formica and glass not expressly identified to Developer prior to closing.

(l) Dripping faucets and toilet adjustments after the initial thirty (30) day warranty period described herein.

(m) Utility service lines installed by Developer, municipality or service company and back filling or slumping thereof.

(n) Deterioration or defects in asphalt paving.

7. This warranty is extended only to Purchaser named herein. It is not transferable to subsequent purchasers of the Property.

8. Should any term of this Agreement be deemed by a Court of competent jurisdiction to be unenforceable, such determination shall not affect the enforceability of the remaining provisions.

9. Use of one gender shall include all other genders; use of the singular shall include the plural; and use of the plural shall include the singular; all as may be appropriate.

10. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama.
