11. Assessments.

(A) *Assessments and Creation of Lien*: Each Owner of a Lot, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to these covenants, is hereby deemed to covenant and agree to pay to the Association (i) an annual assessment, as established and to be collected as provided herein below; and (ii) special assessments, to be established and collected as provided herein below. All assessments, together with late charges, interest, and all attorneys' fees and costs incurred by the Association to enforce or collect such

assessments, shall be an equitable charge and a continuing lien upon each Lot for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided below. Each Owner shall be personally liable for the payment of all assessments coming due while he, she, or it is the Owner of any Lot and such Owner's grantee shall take title to such Lot subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his, her, or its grantor any amounts paid by such grantee to the Association that were the legal obligations of such grantor. All assessments, together with late charges, interest, and all attorneys' fees and costs incurred by the Association shall also be a personal obligation of the person who was the Owner of the Lot at the time such assessment and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot, all of the Owners shall be jointly and severally liable for the entire amount of such assessments, late charges, interest, and all attorneys' fees and costs due. Foreclosure by a mortgagee shall not relieve any Owner whose Lot has been foreclosed from the personal obligation to pay all assessments and any other charges levied, assessed, or incurred by the Association shall have the right to pursue all rights and

remedies against a defaulting Owner notwithstanding the foreclosure of a mortgage by third party on such Owner's Lot.

(B) *Purpose of Assessments:* The annual and special assessments provided for herein shall be used for the payment of expenses incurred by the Association as contemplated hereunder for the general upkeep and maintenance of the Common Area, any improvements thereto, cost of insurance, or other expense or cost all as may be more specifically authorized from time to time by the Association.

(C) *Uniform Rate:* Any annual or special assessment shall be assessed against each Lot in the Property at a uniform rate, with the Owner of each Lot being required to pay that Owner's pro rata portion of such annual and special assessment, as determined by a fraction, the numerator of which shall be one and the denominator of which shall be the total number of Lots within the Property.

(D) *Computation of Annual Assessments:* Commencing with the fiscal year of the Association that begins on the date of its incorporation through December 31st of that year, and annually thereafter, on January 1st for each subsequent fiscal year of the Association (that is, from January 1st in each year through December 31st in each year), the Association shall determine and adopt annually an annual budget covering the

estimated expenses for the Common Area for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual assessments for the then applicable year and each Owner shall pay the pro rata share of the same as provided above. A copy of the budget setting forth the amount of the annual assessments to be levied against the Lot for the following year shall be delivered by the Association to each Owner.

(E) *Special Assessments*: In addition to the maximum regular annual assessment, the Association may also levy a special assessment for the purpose of repair or replacement of drainage or detention structures, lighting, or other such infrastructure; insect control; extraordinary legal or accounting costs; capital improvements to the Common Area, repayment of any loan made by the Association to enable it to perform the duties and obligations authorized herein.

(F) *Payment*: Assessments shall be paid in such manner and on such dates as may be fixed by the Association. All assessments shall be payable without offset, diminution, or abatement by reason of fire or other casualty or any taking as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in

lieu thereof with respect to any Lot, Common Area, or any other portion of the Property or any other cause or reason of any nature.

12. Effect of Non-Payment of Assessment; Remedies.

(A) *Default*: Each Owner of a Lot is and shall be deemed to covenant and agree to pay to the Association all assessments provided for herein. If any assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied from time to time, and the Owner of such Lot shall be deemed in default herewith. If any assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the legal rate from the thirtieth (30th) day from the due date until the same is paid in full. If the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs, and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot for assessments as provided above shall also include all late charges, interest at the legal rate, and all attorneys' fees, court costs, and all other expenses paid

or incurred by the Association in attempting to collect any unpaid assessments.

(B) *Remedies:* In the event any assessments or other amounts due to the Association are not paid by any Owner when the same becomes due, then in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board of Directors, or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) the Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the legal rate, together with attorneys' fees, court costs, and all other expenses paid and incurred by the Association in collecting such unpaid assessments; and/or

(ii) the Association may enforce the lien created pursuant hereto in the manner hereinafter provided.

(C) *Lien and Power of Sale:* The lien upon each Lot for assessments is with power of sale that secures the payment to the Association of any and all assessments levied against or upon such Lot, all late charges, interest at the legal rate, and all attorneys' fees, court costs, and all other expenses paid or

incurred by the Association in collecting any assessment. If any Assessments remain unpaid for more than sixty (60) days, then the Association may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board of Directors of the Association, contain the following information, and be recorded in the Office of the Judge of Probate of Baldwin County, Alabama:

- (i) the name of the delinquent Owner;
- (ii) the legal description and street address of the Lot upon which the lien claim is made;
- (iii) the total amount claimed to be due including late charges, interest at the legal rate, collection costs, and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) a statement that the claim of lien is made by the Association pursuant to these covenants and is claimed against such Lot in an amount equal to that stated therein. Except as provided herein below, said lien provided shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default) and may be foreclosed in the same manner as now provided by law in the case of past mortgages, and the Association shall be authorized, at its option, to sell the Lot under the power of sale that is hereby given to the Association, at public outcry, to the highest bidder for cash, at the front or main door of the Baldwin County Courthouse in Bay Minette, Alabama, after first having given notice by publication once a week for three successive weeks of the time, place, and terms of such sale, together with a description of the Lot to be sold, by publication in some newspaper published in Baldwin County. The sale shall be held between the hours of 11:00 A.M. and 4:00 P.M. on the day designated for the exercise of the power of sale hereunder. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey, and sell any such Lot. Each Owner, by acceptance of a deed to any Lot, shall be deemed to:

(a) grant to and vest in the Association or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein;

(b) grant to and vest in the Association or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner;

(c) expressly waive any objection to the enforcement and foreclosure of the lien created herein; and

(d) expressly waive the defense of the statute of limitations that may be applicable to the commencement of any such suit or action for foreclosure.

(D) *Subordination of Lien*: Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot is and shall be subordinate to the lien of any first mortgage or purchase money mortgage, but only to the extent that such mortgage is recorded in the Office of the Judge of Probate of Baldwin County, Alabama prior to the filing of a claim of lien by the Association.

(E) *Certificates*: The Association or any officer or authorized representative thereof shall, upon request and at such reasonable times as may from time to time be adopted by the Board

of Directors, furnish to any Owner a certificate in writing setting forth whether the assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any assessments stated therein.

13. Enforcement/Waiver: As a means to enforce these covenants, conditions, restrictions, architectural controls, or any such other rule or regulation adopted by the Association, the Association shall send written notice to any Owner whose actions or inactions are in violation thereof. Said written notice shall set forth the date by which the Owner shall cure and abate the violation. Upon failure of the Owner to time cure and abate the violation, the Association is authorized to impose reasonable fines (including daily fines) or other sanctions against the Owner responsible for said violation, which such abatement costs or fines shall be collected as provided herein for the collection assessments. Such fines and other sanctions or assessments shall be a lien which runs with the property and which takes precedence over all other liens excepting property tax liens and mortgages recorded prior to the date of recording of this amendment.

In no event shall violation of these covenants effect a reversion or forfeiture of estate. The failure to enforce any

covenant herein contained for any period of time shall in no event be deemed a waiver or estoppel of the right of any of the foregoing to enforce the same thereafter. In the event of any violation or attempted violation or circumvention of these covenants, conditions, restrictions, architectural controls, or any such other rule or regulation adopted by the Association, the Association or any Owner may prosecute any proceedings at law or in equity against the person or person violating or attempting to violate or circumvent any of these covenants, conditions, restrictions, architectural controls or any such other rule or regulation adopted by the Association, either to prevent her, him or them from so doing or to recover damages, assessments, fees, penalties, and/or attorney's fees for such violation, and in the event that it is the Association who has filed the legal action, it shall be entitled to receive an award or reasonable attorney's fees for the successful prosecution of such an action.

14. Severability: Should any provision, clause, restriction, limitation, or condition of these restrictive covenants be declared to be unenforceable, against public policy, illegal, or inconsistent with or contrary to the Constitution or laws of the United States, or the Constitution or laws of the State of Alabama, by any court of competent jurisdiction or by a legislative declaration by the United States Congress or the

legislature of the State of Alabama, the other provisions, clauses, restrictions, limitations, and conditions shall in no way be affected, altered, or invalidated. These restrictive covenants shall not be altered, affected, or in any way diminished by the annexation of the lands to which they apply by any Alabama municipality.

15. Term. The covenants contained herein shall run with the land and shall be binding on all parties and all persons claiming under them and all persons, firms, or corporations owning any Lot within the Property for a period of twenty (20) years from the date of the execution hereof, after which period said covenants shall be automatically extended for successive ten (10) year periods unless, at any time, an instrument, signed by the then Owners of the fee simple title to eighty percent (80%) of the Lots, is recorded in the office of the Judge of Probate of Baldwin County, Alabama, indicating an intent to cancel, alter, or otherwise modify said covenants.

16.
