Why Choose Us?

There are dozens of property management companies in town, so why is Orange Beach Life the better choice for you?

1

Hands-on service

We don't have representatives answering phone calls and random workers in our units. We are your personal boots on the ground service team.

2

All-In-One Service

We handle all your management needs from booking to checkout day. Our cleaning company handles all cleaning with our management unit inspections.

3

Lower Management Fees

We only charge a 12% management fee as compared to those charging 18-20%. More in your pocket each month!

4

Multichannel Exposure

We house your listing on multiple platforms such as Airbnb/VRBO to maximize exposure and fill up your calendar with bookings, as well as direct bookings through our website!

5

Instant Communication/Action

We thrive on meeting the needs of our owners and guests instantly. We have a 'never clock out' policy where we are always available for you and your property.
