The listed equipment has been installed per published guidelines for Daikin brand products, and I will perform service in a manner consistent with Daikin North America, LLC service policies. I attest that equipment installed more than 60 days ago has been inspected and is in good working order free and clear of any defects.

Authorized Dealer's Signature X

Labor(L)
Obligor will provide labor to repair or replace all Daikin brand parts and other manufacturer approved parts that fail under normal use and service due to a manufacturer's defect in materials and workmanship under the terms and for the duration of the term of coverage identified on the face of this Agreement. Parts and unit replacement are not included in this coverage. This coverage extends only to the original purchaser of the Agreement for the duration of the Agreement and is transferable.

Parts and Labor (PL)
Obligor will provide a replacement part for all Daikin brand parts and other manufacturer approved parts that fail under normal use and service due to a manufacturer's defect in materials and workmanship under the terms and for the duration of the Agreement. Obligor will provide labor to repair or replace all Daikin brand parts and other manufacturer approved parts that fail under normal use and service due to a manufacturer's defect in material or workmanship under the terms and for the duration of the term of coverage identified on the face of this Agreement. In the event of compressor or heat exchanger failure, unit replacement is not included in this coverage. This coverage is fully transferable to subsequent property owners subject to the terms and conditions contained in this Agreement.

Compressor (C)
Obligor will provide a new equivalent Daikin brand or other manufacturer approved compressor to replace the failed unit due to a manufacturer's defect in material or workmanship under the terms and for the duration of the term of coverage identified on the face of this Agreement. This coverage extends only to the original purchaser of the Agreement for the duration of the Agreement.

Parts (P)
Obligor will provide a replacement part only for all Daikin brand or other manufacturer approved parts that fail under normal use and service due to a manufacturer's defect in material or workmanship under the terms and for the duration of the term of coverage identified on the face of this Agreement. Labor costs are not included in this coverage. In the event of compressor or heat exchanger failure, unit replacement is not included in this coverage. This coverage is fully transferable to subsequent property owners subject to the terms and conditions contained in this Agreement.

Limited Unit Replacement (LUR)
In the event of a compressor or heat exchanger failure due to a manufacturer's defect in material or workmanship, the Obligor will provide and install a new equivalent Daikin brand unit to replace the failed unit. Such coverage is limited to one replacement during the term of coverage identified on the face of this Agreement. This coverage extends only to the original purchaser of the Agreement for the duration of the Agreement.
