At the time of conveyance to the Association, these properties shall be designated as Common Properties. Section 2.02 ADDITIONS TO PROPERTY. Additional property may become subject to this Declaration in the following manner:

FILED 405 PAGE 0956

(a) **Additions.** The Developer, its successors and assigns, shall have the right, without further consent of the Association or the Owners, to bring within this Declaration any additional property. Such property may be subjected to this Declaration as one parcel or as several smaller parcels at different times. The additions authorized under this and the succeeding subsection shall be made by filing in the Office of the Judge of Probate, Baldwin County, Alabama, a Supplementary Declaration with respect to the additional property which shall extend the operation and effect of this Declaration to such additional property.

Any Supplementary Declaration may contain such additions and/or modifications of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Developer, to reflect the different character, if any, of the additional properties; however, they shall not be inconsistent with this Declaration. Such modifications shall have no effect on the property described in Section 2.01 of this Article.

(b) **Withdrawal.** The Developer, its successors and assigns, without consent from the Association or the Owners, shall have the right, at any time or from time to time, to withdraw portions of the Property from this Declaration. The withdrawal authorized by this subsection shall be made by filing in the Office of the Judge of Probate, Baldwin County, Alabama, a Supplementary Declaration with respect to the property which has been withdrawn.

(c) **Mergers.** Upon merger or consolidation of the Association with another association as provided for in the By-Laws of the Association, the Association's property rights and obligations may, by operation of law, be transferred to another surviving or consolidated association. In the alternative, the properties, rights and obligations of another association may, by operation of law, be added to the property of the Association as the surviving corporation pursuant to a merger. The surviving or consolidated association may administer the property, together with the covenants and restrictions established upon any other properties, as one plan. No merger or consolidation shall affect any revocation, change or addition to this Declaration with respect to the property including, without limitation, the maximum limits on assessments of the Association, or any other matter substantially affecting the interest of Members of the Association. The withdrawal of property as aforesaid shall be evidenced by filing in the Office of the Judge of Probate of Baldwin County, Alabama, a Supplementary Declaration setting forth the portions of the property to be so withdrawn.

REC-495 PAGE 0957

thereto with respect to any undeveloped portion or portions of the Property.

ARTICLE III

GENERAL COVENANTS AND RESTRICTIONS

Section 3.01 **PURPOSES.** The primary purpose of these covenants and restrictions and the foremost consideration in the origin of same has been the creation of a subdivision that is aesthetically pleasing and functionally convenient. The establishment of objective standards relating to design, size and locations of dwellings and other structures makes it impossible to take full advantage of the individual characteristics of each parcel of property and of technological advances and environmental values. For this reason such standards are not established by these Covenants. In order to implement the purposes of these Covenants, the Developer shall establish and amend from time to time objective guidelines which shall be in addition to these Covenants and shall be called the TimberCreek Design Guidelines.

Section 3.02 **LOTS LIMITED TO RESIDENTIAL USE.** All Lots shall be used for single-family residential purposes exclusively. No structure, except as hereinafter provided, shall be erected, altered, placed, attached to or permitted to remain on any Lot other than those structures and improvements approved for use and occupancy by the Developer in accordance with the TimberCreek Design Guidelines published from time to time by the Developer.

Section 3.03 **SITING.** All Dwelling Units, buildings, and other improvements must be located within the setback lines as shown on the Subdivision Plat and in accordance with the TimberCreek Design Guidelines. All improvements shall be located so that the maximum view and privacy will be available to each Dwelling Unit, and all improvements will be ideally located with regard to the topography of each Lot taking into consideration the location of trees or plants, and other aesthetic and environmental considerations. The Developer reserves unto itself, its successors and assigns, the right to control and to decide solely (so long as (a) Developer's decisions are not arbitrary or capricious and (b) subject to the provisions of the pertinent land use regulations of public authorities having jurisdiction) the precise site and location of any Dwelling Unit, building, structure or other improvement on any property in the Subdivision. The location shall be determined only after reasonable opportunity is afforded to the Property Owner to recommend a specific site; provided however, that in the event an agreed location is stipulated in writing in the contract of purchase from the Developer, and such location complies with the applicable local city and county subdivision regulations, the Developer shall approve such location for a residence or group of residences.

Section 3.04 **SIGNS.** No signs shall be erected or maintained on the Property or on any Lot at any time by anyone, including without limitation, a Property Owner, realtor, contractor, or subcontractor, except the following approved signs: (1) one (1) "For Sale" or "For Rent" sign; (2) one (1) sign for a contractor displayed during construction for a maximum of twelve (12) months or until completion of construction, whichever shall first occur; (3) a sign which must be posted as a result of legal proceedings pursuant to a statute or court order; or (4) a sign which has been specifically approved in writing by the Developer. The Developer reserves the right to restrict the size, color, content, location, number and method of display of each approved sign. All approved signs shall not exceed three (3) square feet in size and shall have a white background with black lettering. All "For Sale" or "For Rent" signs shall contain only the Lot number, real estate company (or individual agent if desired) and telephone number. All contractor signs shall contain only the Lot number, name of Owner, the general contractor, and telephone number. Signs must be placed parallel to the street and may not be displayed from the interior of any Dwelling Unit, building, or other improvement so as to be visible from the exterior.

Section 3.05 **MAILBOXES.** No mailboxes may be erected or maintained on the Property except mailboxes approved by the Developer. The actual cost of providing, erecting and maintaining a mailbox, including Developer approved numbering or lettering, shall be paid by the Property Owner. The Developer reserves the right to designate the location of all mailboxes.

Section 3.06 **UNSIGHTLY CONDITIONS.** It shall be the responsibility of each Property Owner and tenant thereof to prevent the accumulation of litter, trash, packing crates or rubbish or the development of any unclean, unsightly, or unkempt condition of buildings or grounds on their Lot either before, during or after construction. Each Owner must provide or require an on-site dumpster for trash and litter during construction. It shall also be the responsibility of each Property Owner and tenant thereof to prevent accumulations which shall tend to substantially decrease the beauty of the community as a whole or the specific area.

Section 3.07 **LIGHTS.** The design and location of all exterior lighting fixtures shall be subject to the approval of the Developer. Neither these nor any other illumination devices located anywhere on the structures or grounds of any Dwelling Unit shall be located, directed, or of such intensity as to affect adversely the enjoyment of any adjacent Property Owner.

Section 3.08 **ANIMALS.** No animals, livestock, or poultry of any kind shall be raised, bred, kept or pastured on the Property, except that a reasonable number of common household pets such as dogs and cats may be kept in any one Dwelling Unit, provided said pets must be secured by a leash or lead, under the control of a responsible person and obedient to that person's command at any

REF: 495 PAGE 0959

time they are permitted outside a Dwelling Unit. Any areas located on a Lot for the maintenance or confinement of pets are subject to prior approval by the Developer.

Section 3.09 **SEWAGE.** Prior to the occupancy of a Dwelling Unit, proper and suitable provisions shall be made for the disposal of sewage by connection with the sewer mains. No sewage or other waste material shall be emptied or discharged except into the sanitary sewer system.

Section 3.10 **WATER.** Shallow private water wells used for non-household purposes only may be drilled or maintained on any Lot or any other portion of the Property with the approval of the Developer.

Section 3.11 **REPAIRS AND HAZARDS.** Any building or other improvement on any Lot attached thereto that is destroyed partially or totally by fire, storm or any other means shall be repaired or demolished within a reasonable period of time, and the land on which it was located restored to an orderly and attractive condition. Any damage which causes a dangerous or unsafe condition to persons or which is unsightly and which is not repaired within a reasonable time (in no event longer than sixty (60) days) following notice, may be repaired or removed at the direction of the Association or the Developer, and the cost of such repairs or removal shall become a lien against the pertinent Lot and become the personal obligation of the Owner of such Lot. Any entry upon a Lot to effect such emergency repairs or removal shall not be deemed a trespass.

Section 3.12 **OFFENSIVE ACTIVITY.** No noxious or offensive activity shall be carried on upon any Lot or any other portion of the Property, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to the community. The Developer shall have the express right, in its sole discretion, to publish rules from time to time to prohibit, regulate or otherwise deal with activities which violate this Section.

Section 3.13 **UTILITIES.** All electrical, cable and telecommunication lines located upon the Property, other than those existing on the date of this Declaration, shall be installed and maintained underground, unless the Developer specifically approves above ground installation of such lines.

Section 3.14 **ANTENNAS.** No television antenna, receiving "dish", radio receiver or sender or other similar device shall be attached to or installed on any Lot or structure within the Subdivision without the prior written consent of the Developer. Nor shall radio, television signals, nor any other form of electromagnetic radiation be permitted to originate from any building, Dwelling Unit, Lot or any other portion of the Property which may unreasonably interfere with the reception of television or radio signals upon any other part of the Property. However, the

REF: 485 PAGE 0900

provisions of this Section shall not prohibit the Developer from installing equipment necessary for a master antenna system, security system, cable television and mobile radio systems or other similar systems within the Subdivision.

Section 3.15 **TRESPASS**. Whenever the Developer is permitted by this Declaration to correct, repair, clean, preserve, clear out or do any action on any of the Property or on the easement areas adjacent thereto, entering such Property and taking such action shall not be deemed a trespass.

Section 3.16 **PARCELS**. No Lot shall be subdivided, or its boundary lines changed, except with the prior written consent of the Developer. However, the Developer hereby expressly reserves to itself, its successors and assigns, the right to replat any Lot and to take such other steps as are reasonably necessary to make such replatted Lot suitable and fit as a building site including, but not limited to, the relocation of any Lot or easements, walkways, tunnels, rights-of-way, roadways, and recreational facilities. The provisions of this Section shall also not prohibit the combining of two (2) or more contiguous Lots into one (1) large Lot. Three (3) Lots may be divided into two (2) Lots with approval by the Developer.

Section 3.17 **INGRESS AND EGRESS**. The Property Owner, in accepting title to Property conveyed subject to the covenants and restrictions of this Declaration, waives all rights of uncontrolled and unlimited egress and ingress to such Property (and waives such rights for any person claiming entry rights by virtue of any relationship or permission of such Property Owner and successors in title) and agrees that such ingress and egress to the Owner's Lot may be limited to roadways built or approved by the Developer. The Developer, its successors, assigns, agents, employees and licensees, expressly reserve a right of ingress and egress upon and through any and all roads, roadways, bridges and any other designated access routes in the Subdivision to any portion or part of the Subdivision or Property. Nothing in this Section shall be construed as placing an affirmative obligation on the Developer to provide or construct any road, bridge, or other means of ingress and egress to or within the Subdivision.

Section 3.18 **FIREARMS**. No hunting by any means or discharge of firearms of any type shall be allowed on the Property.

Section 3.19 **BRIDGES**. The Developer expressly reserves to itself, its successors, assigns, agents, employees, and licensees, any other provisions of this Declaration notwithstanding, the right to build bridges, walkways, tunnels or fixed spans across any or all natural or man-made waters, canals, creeks, paths, or lagoons in the Subdivision. Nothing in this Section shall be construed as placing an affirmative obligation on the Developer to provide or construct any such improvement.

Section 3.20 LANDSCAPING. No weeds, underbrush or other unsightly growth which would unreasonably interfere with the enjoyment of adjacent Property Owners shall be permitted to grow or remain upon any part of a Lot and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain upon any part of a Lot, including vacant parcels, Common Area, or road right-of-way. All landscaping of any Lot shall be completed within ninety (90) days from the completion of construction of the improvements. These provisions shall not apply to the Developer until the last Lot is sold to an Owner other than the Developer.

Section 3.21 TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent or shack shall be used at any time as a residence either temporarily or permanently. No storage building of any type shall be permitted unless such building is designed as part of the main Dwelling Unit and approved by the Developer. There shall be no occupancy of any Dwelling Unit until the interior and exterior of the Dwelling Unit are completed and a certificate of occupancy, or other satisfactory evidence of completion, is received and approved by the Developer.

Section 3.22 FENCES AND HEDGES. All fences, hedges, and similar improvements must be constructed, installed, and maintained in accordance with the TimberCreek Design Guidelines. Chain link or any other wire fences shall not be used. A wooden, brick, stucco, wrought iron or similar approved fence or privacy screen may be used if constructed and placed in accordance with the TimberCreek Design Guidelines.

Section 3.23 GARAGES. All Dwelling Units must have a minimum of a two (2) vehicle enclosed garage and must meet the requirements of the TimberCreek Design Guidelines. No carports will be allowed. Garage openings may not be constructed on the front of Dwelling Units unless specifically approved by the Developer in those limited instances when it is unavoidable. In all cases electric automatic door openers/closers shall be installed and used. Any garages visible from the street must be kept closed when not in use.

Section 3.24 RECREATIONAL VEHICLES AND BOATS. No boat, boat trailer, house trailer, horse trailer, trailer, camper, motor home, unmaintained cars, trucks, or any similar items shall be stored on or at any Lot for a period of time in excess of twenty-four (24) hours, unless housed in an enclosed garage or parked or stored in an area of the Property specifically designated for such use by the Developer.

Section 3.25 REMEDIES FOR VEHICLE AND RECREATIONAL EQUIPMENT VIOLATIONS. Any such vehicle or recreational equipment parked in violation of these or other regulations contained herein or in the rules and regulations now or hereafter adopted by the Association may be towed by the Association or the Developer, at the sole expense of the Owner of such vehicle or recreational equipment, if

REV. 495 PAGE 0962

it remains in violation for a period of twenty-four (24) hours. The Association or the Developer shall not be liable to the Owner of such vehicle or recreational equipment for trespass, conversion or otherwise, nor guilty of any criminal act by reason of such towing, and neither its removal or failure of the Owner to receive any notice of said violation shall be grounds for relief of any kind.

Section 3.26 APPROVED BUILDER'S LIST. All improvements constructed on any Lot shall be made by a builder or contractor approved by the Developer. No Owner may act as a general contractor for the construction of a Dwelling Unit or other improvement on an Owner's own Lot, except that an approved builder or contractor may build improvements on a Lot owned by such approved builder or contractor. A list of all approved builders and contractors, as amended from time to time, shall be maintained by the Developer or Architectural Review Board.

Section 3.27 OTHER RECREATIONAL OR GOLF FACILITIES. Other property located adjacent to or near the Subdivision (not being a portion of the Property referenced herein) may be used for a public, private, or semi-private country club, golf course and/or other recreational use and will be independent and separate from the recreational facilities in the Subdivision. No Owner shall have any right or interest in, or use of any such country club, golf club, golf course or other recreational facilities other than any membership or use for which an Owner may qualify and purchase from the owner or operator of such facilities. Persons playing golf on the golf course located near or adjacent to the Subdivision shall have an easement and license to go upon an Owner's Lot located adjacent to the golf course to retrieve errant golf balls, so long as such person does not damage an Owner's property while accomplishing such retrieval. Any golfer causing damage by an errant golf ball during play or while retrieving it shall be solely responsible for such damage, and the owner or operator of the golf course shall not be responsible therefor. The present or future use of any property located adjacent to the Subdivision as a golf course may be discontinued or suspended at any time by the owner of such golf course.

Section 3.28 LEASING RESTRICTIONS. No Dwelling Unit or other structure shall be leased by the Property Owner for a lease term of less than six (6) months, and only one primary family per Dwelling Unit shall be allowed. No boarders or persons with similar living arrangements shall be allowed.

Parking on the paved portion of any roadway not identified as parking areas within the Subdivision shall be prohibited at all times. Any vehicle violating this

REAL 495 PAGE 0963

restriction may be removed by the Developer or its designated agent, and the owner of the vehicle shall be responsible for all charges for towing and storing the vehicle.

ARTICLE IV

EASEMENTS

Section 4.01 DEVELOPER EASEMENTS. The Developer reserves unto itself, its successors, assigns, contractors, licensees, and agents a perpetual, alienable and releasable easement and right on, over and under the ground of the Property (including each Lot) to erect, maintain and use electric, cable television and telephone poles, wires, cables, conduits, drainage ways, sewers, wells, pumping stations, tanks, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water, drainage, or other public conveniences or utilities on, in or over those portions of the Property as may be reasonably required for any purposes and to grant access easements or relocate any existing access easements in, on, or over any portion of the Property as the Developer shall deem necessary or desirable for the proper operation and maintenance of the Property, or any portion thereof, or for the reason of carrying out the purposes of this Declaration; provided, however, that no such easement shall be applicable to any portion of the Property as may (a) have been used prior to the installation of such utilities for construction of a building or structure whose plans were approved pursuant to this Declaration by the Developer, or (b) such portion of the Property as may be designated as the site for a building or structure on a site plan or for erection of a building or structure which has been filed with the Developer and which has been approved in writing by the Developer. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, safety and appearance. Any material disturbance to the grounds of any Property Owner caused by such utility installation shall be repaired and said grounds returned to their prior condition by the Developer, or prompt and reasonable remuneration for such repairs shall be made to such Property Owner by the Developer.

Section 4.02 UTILITY AND GOVERNMENTAL SERVICES AND PRIVATE EASEMENTS. All Lots within the Subdivision shall be subject to utility, governmental services and private drainage easements as shown on the face of the recorded Plat and all rights of ingress, egress and access for persons and equipment associated therewith. In addition to the foregoing, the Developer reserves unto itself, its successors, assigns, contractors, licensees and agents a perpetual, alienable and releasable easement and right on, over and under the ground located ten (10) feet along both sides of all

roads and rights-of-way and ten (10) feet along the side and rear lines of each Lot.

ARTICLE V

ARCHITECTURAL AND DESIGN REVIEW

Section 5.01 **PURPOSE.** In order to preserve the natural beauty of TimberCreek and its setting, to maintain TimberCreek as a pleasant and desirable environment, to establish and preserve a harmonious design for the community, to provide for the community's organized development, and to protect and promote the value of property, no building, fence, paving materials of any kind, screen enclosures, sewer drains, disposal systems, landscaping, or any other structure or improvement of any nature or any future addition or improvement shall be erected, placed, attached to or altered unless and until the proposed plans, design, specifications, exterior color or finish, plot plan (showing the proposed location of such building structure, drives and parking areas), building height, landscape plan, size and construction schedule shall have been approved in writing by the Developer prior to commencement of construction and a permit shall have been issued authorizing the structure or improvement in accordance with the TimberCreek Design Guidelines, as amended or modified from time to time.

Section 5.02 **OBJECTIVES.** Architectural and design review shall be directed toward attaining the following:

- (a) Preventing excessive or unsightly grading, indiscriminate earth moving, clearing of Property, or removal of trees and vegetation which could cause disruption of natural water courses or scar natural landforms;
- (b) Ensuring that the location and configuration of structures are visually harmonious with the terrain and vegetation of the Lots, with surrounding Lots and structures, and do not unnecessarily block scenic views from existing structures or tend to dominate any general development or natural landscape;
- (c) Ensuring that the architectural design of structures and their materials and colors are visually harmonious with the Subdivision's overall appearance, with the surrounding development, with natural landforms and native vegetation, and with development plans officially approved by the Developer, or any governmental or public authority, if any, for the areas in which the structures are proposed to be located;

(d) Ensuring the plans for landscaping provide visually pleasing settings for structures on the same Lot and on adjoining or nearby Lots and blend harmoniously with the natural landscape;

(e) Ensuring that any development, structure, building or landscaping complies with the provisions of these Covenants; and

(f) Promoting building design and construction techniques that respond to energy consumption and environment quality considerations such as heat loss, air emissions, and run-off water quality.

Section 5.03 SUBMISSION, APPROVAL AND REFUSAL OF ARCHITECTURE, SITING, LANDSCAPING AND OTHER BUILDING PLANS. Two copies of all plans and related data shall be submitted to the Developer prior to any improvements or modifications of any kind being made to any Lot. The Developer shall establish a fee sufficient to cover the expense of reviewing plans and related data at the time they are submitted for review and to compensate any consulting architects, landscape architects, urban designers, or attorney's retainer. The fee initially established by these General Covenants shall be Two Hundred And No/100 (\$200.00) Dollars for each submission. The Developer shall have the right to increase this amount not more than once in any subsequent twelve (12) month period. Approvals shall be dated and shall not be effective for construction commenced more than nine (9) months after such approval. Disapproved plans and related data shall be accompanied by a reasonable statement of items found unacceptable. In the event approval of such plans is neither granted nor denied within sixty (60) days following receipt by the Developer of the written request for approval, the provisions of this Section shall be thereby waived. Refusal or approval of plans, site location, building height, or specifications may be based by the Developer upon any ground which is consistent with the objectives of these Covenants, including purely aesthetic considerations, so long as such ground is not arbitrary or capricious.

Section 5.04 ARCHITECTURAL AND DESIGN GUIDELINES. The Developer will publish TimberCreek Design Guidelines, as amended, from time to time which will set forth minimum criteria and controls for construction of improvements on the Property. In order to further carry out the objectives set forth in this Section, the TimberCreek Design Guidelines will provide for Lot line setbacks, Lot coverage and clearing limitations, landscaping, construction schedules, types of materials approved for incorporation in the exterior construction of structures and other requirements relating to the development of the Subdivision. All improvements or modifications to the Property shall meet and comply with the TimberCreek Design Guidelines, as amended or modified from time to time. All plans submitted to the Developer must incorporate the provisions of these Guidelines prior to the

Developer becoming obligated to review the plans, and the failure by the Developer to review non-conforming plans shall not be deemed a waiver of any of the provisions of this Section.

Section 5.05 APPROVAL NOT A GUARANTEE OR REPRESENTATION OF PROPER DESIGN OR GOOD WORKMANSHIP. No approval of plans, location or specifications, and no publication of TimberCreek Design Guidelines shall ever be construed as representing or implying that such plans, specifications or standards will, if followed, result in a properly designed residence or that it will comply with applicable federal, state or local governmental regulations. Such approvals and standards shall in no event be construed as representing or guaranteeing that any residence or improvement thereto will be built in a good and workmanlike manner. The Developer, its agents and assigns, shall not be responsible or liable for any defects in any plans or specifications submitted, revised or approved under these Covenants nor for any defects in construction pursuant to such plans and specifications. The Property Owner shall have sole responsibility for compliance with approved plans and does hereby hold the Developer, its agents or assigns, harmless for any failure thereof caused by the Property Owner's architect or builder. The Developer reserves the right to prohibit the Property Owner's builder and/or general contractor from the site in the event it is determined that failure to comply with approved plans is determined by the Developer, in its sole discretion, to be intentional or due to gross negligence.

ARTICLE VI

DWELLING UNITS

Section 6.01 BUILDING HEIGHT. No Dwelling Unit shall be constructed on a Lot which has a height exceeding two and one-half habitable stories, excluding basements. The height of any structure, including all Dwelling Units, within the Property shall be subject to the prior review and approval in writing by the Developer and shall be subject to all applicable guidelines of the TimberCreek Design Guidelines and approvals of the Developer.

Section 6.02 BUILDING SIZE. All Dwelling Units shall comply with all applicable guidelines and approvals of the Developer and the TimberCreek Design Guidelines and be designed and constructed in an architecturally aesthetic manner in order to carry out the objectives set forth in Section 5.02 of this Declaration.

Section 6.03 SETBACK AND SIDE LINE REQUIREMENTS. All buildings built on any Lot shall comply with the setback and side lines restrictions as required upon such Lot as set forth in the applicable TimberCreek Design Guidelines and the recorded Plat. Such setback restrictions shall be a covenant running with the land.

Section 6.04 COMPLETION OF CONSTRUCTION. Dwelling Units may not be temporarily or permanently occupied until the exteriors thereof have been completed. During construction, the Property Owner shall require the contractor to maintain the Lot in a clean and uncluttered condition. Upon completion of construction, the Property Owner shall cause the contractor to immediately remove all equipment, tools, construction material and other debris from the Lot. Any damage to roadways, paths, Common Properties or any other Property owned by any person or entity caused by the Property Owner's contractor or other parties providing labor or services to the Property Owner shall be repaired by the Property Owner, or by the Developer at the Property Owner's expense.

Section 6.05 SERVICE YARDS. Each Property Owner shall provide a visually screened area to serve as a service yard and an area in which garbage receptacles, electric meters, air conditioning equipment, and other unsightly objects must be placed or stored in order to conceal them from view from the road and adjacent properties. No window air conditioning units may be installed or used on any Lot. No clothes lines are allowed on any Lot.

PROVISIONS RELATING TO COMMON PROPERTY

Section 8.01 COMMON PROPERTY. The Developer intends to convey by statutory warranty deed to the Association as Common Property the following, subject to all restrictions and limitations of record and to all additional restrictions and covenants set forth in the deed of conveyance:

Section 8.02 EROSION CONTROL. The Developer shall have the right, but not the obligation, to protect from erosion any Property in the Subdivision including the Common Property by planting trees, plants, and shrubs where and to the extent necessary or by such mechanical means as construction and maintenance of siltation basins, or other means deemed expedient or necessary by the Developer. The right is likewise reserved to the Developer to take steps necessary to provide and ensure adequate drainage ways, to remove diseased, dead or dangerous trees or underbrush, and to carry out other similar activities.

Section 8.03 RESERVATION OF EASEMENTS. The Developer reserves unto itself, its successors, licensees, contractors, agents, and assigns, a perpetual alienable and releasable easement, to go on, over, and under the Common Properties to erect, maintain, and use electric, community antenna television, telephone poles, wires, cables, conduit, drainage ways, sewers, water mains, and other suitable equipment for the conveyance and use of electricity, telephone and television equipment, gas, sewer, water, drainage, or other public conveniences or utilities in the Common Properties. These reservations and rights expressly include the right to cut trees, bushes or shrubbery as is reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, safety and appearance. Such rights may be exercised by any licensee or assignee of the Developer, but this reservation shall not be considered an obligation of the Developer to provide or maintain any such utility or service.

Section 8.04 PUBLIC RIGHTS LIMITED. The granting of the easement in Common Properties in this part in no way grants to the

public or to the owners of any land outside of the Subdivision the right to enter such Common Properties or use the roadways or designated access routes located on the Common Properties without the express permission of the Developer, or the Association after the Common Properties are conveyed to the Association by the Developer.

Section 8.05 RESERVATIONS. The Developer expressly reserves to itself, its successors, assigns, licensees and agents every reasonable use and enjoyment of said Common Properties, in a manner not inconsistent with the provisions of this Declaration, including but not limited to the use of the roadways and designated access routes located in the Common Properties.

Section 8.06 DEVELOPER ACTIONS. Where the Developer is permitted by this Declaration to correct, repair, clean, preserve, clear out or do any action on any Property, entering the Property and taking such action shall not be deemed a trespass or breach of these Covenants.

Section 8.08 WILDERNESS AREAS. Those areas designated on the Subdivision Plat as Wilderness Areas shall be owned by the Developer and may be conveyed to the Association at the Developer's sole discretion.

ARTICLE IX

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

The Developer has formed or will cause to be formed The Property Owners Association of TimberCreek, Inc., an Alabama non-profit corporation.

Section 9.01 MEMBERSHIP. Every Owner including the Developer, shall, for so long as each is an Owner, at all times be a Member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. Membership shall attach automatically upon the acceptance of delivery of the instrument of transfer of such ownership interest, provided that such instrument is recorded in the Office of the Judge of Probate of Baldwin County, Alabama, and a true copy of such recorded instrument is delivered to the Association. Membership shall terminate automatically upon the tendering of delivery of an instrument of transfer of such ownership interest (provided such tender is accepted), or upon such ownership interest being divested in some other manner.

FILED 495 PAGE 0970

Section 9.02 VOTING RIGHTS. The Association shall have one (1) class of regular voting Membership. Members shall be all Owners (including the Developer) of Unimproved Lots and Improved Lots. Each Member who has presented to the Association satisfactory proof of being an Owner of any such Lot prior to the close of business on the Record Date established in accordance with the Association's By-Laws, shall be entitled to notice of and shall be entitled to vote in all matters in which Membership voting is authorized in this Declaration, the Association's Articles Of Incorporation, By-Laws or any other rules and regulations binding upon the Association and its Members with respect to Members' voting rights. Each Member approved to vote shall be entitled to one (1) vote for each Improved or Unimproved Lot owned, and the Developer shall be entitled to five (5) votes for each Improved or Unimproved Lot owned. Each Member who has provided satisfactory proof of ownership as set forth above prior to the applicable Record Date, so long as such Member is not then delinquent in the payment of assessments, shall be entitled to vote at any meeting of Members, or on any matter requiring a vote of Members, occurring subsequent to the date upon which the Member becomes an Owner, and each Member shall be entitled to the number of votes calculated above as if each Member had been a Member for a full year and had paid the Regular Annual Assessment for the year in which the vote takes place. Payment of any Special Assessment shall not entitle Members to additional votes.

When any Lot entitling the Owner thereof to Membership in the Association has Owners which are corporations, trusts or partnerships, or where two or more persons or entities are Owners, whether fiduciaries, joint tenants, tenants in common, tenants in partnership or in any other manner of joint or common ownership, one officer, trustee, person or entity shall be designated the Voting Member to bind all the others. Written evidence of such designation in a form satisfactory to the Board shall be delivered to the Board prior to the exercise of a vote by such Owners.

Section 9.03 GOVERNANCE. The Association shall be governed by a Board of Directors, consisting of not fewer than three (3) nor more than five (5) Members. Initially, the Board shall consist of three (3) Members appointed by the Developer, with the number in subsequent years to be determined by the Members of the Board of Directors as provided in the By-Laws of the Association.

Section 9.04 ELECTION TO THE BOARD OF DIRECTORS.

(a) The Board of Directors shall be elected by the Members.

(b) In electing Directors of the Association, each Member shall be entitled to cast one (1) vote per Lot owned by such Member for each Director's position to be filled, with the exception of the Developer who shall be entitled to cast five (5) votes per Lot owned for each Director's position to be filled. No cumulative voting is permitted.

REAL 495 PAGE 0971

Notwithstanding the provisions of this Section, the Developer shall have the right to elect the members of the Board of Directors of the Association, and in the event of vacancies, the Developer shall fill vacancies, until such time as all Lots located in the Property have been sold to Owners other than the Developer, or the Developer elects, at its option, to terminate its control of the Association, whichever first occurs.

Section 9.05 QUORUM REQUIRED FOR ANY ACTION AUTHORIZED AT REGULAR OR SPECIAL MEETINGS OF THE ASSOCIATION. The quorum required for any action which is subject to a vote of the Members at a meeting of the Association shall be as follows:

With respect to any particular proposed action, the presence at the meeting of the Association of Members or proxies entitled to cast fifty-one percent (51%) of the total vote of the Membership shall constitute a quorum. If the required quorum is not present at any such meeting, one or more subsequent meetings may be called, subject to ten (10) days written notice of each such subsequent meeting being provided to all Members. The required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. If a quorum is present, a majority of the votes which are properly voted at any meeting shall determine any matter coming before the meeting unless a different vote is required by a statute, by the Declaration, by the Articles Of Incorporation or the By-Laws of the Association. The Members at a meeting at which a quorum is once present may continue to transact business at the meeting or any adjournment thereof, notwithstanding the withdrawal of enough Members to have less than a quorum. Notwithstanding the foregoing, except with respect to an amendment effected by the Developer pursuant to Section 14.01, no action to amend this Declaration shall be effective unless taken at a meeting at which Members entitled to cast sixty-three and two-thirds percent (63 2/3%) or more of the total vote of the Membership are present, either in person or by proxy.

Section 9.06 PROXIES. Each Member of the Association entitled to vote may vote in person or by proxy at any meeting of the Association. Each proxy shall be executed in writing by the Member or by the Member's duly authorized attorney-in-fact, shall state the meeting for which such proxy is given and shall be filed with the Secretary of the Association. No proxy shall extend beyond the date of the meeting for which it is given unless such meeting is adjourned to a subsequent date.

Section 9.07 BALLOTS BY MAIL. When authorized by the Board of Directors, there shall be sent with notices of regular or special meetings of the Association, a statement of certain motions to be introduced for a vote of the Members and a ballot on which each Member may vote for or against the motion. Each ballot which is presented at such meeting shall be counted in calculating the

SEE 435 PAGE 0972

quorum requirements set out in Section 9.05. However, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

ARTICLE X

MEMBERS' RIGHTS IN THE COMMON PROPERTIES

Section 10.01 MEMBERS' EASEMENTS OF ENJOYMENT IN COMMON PROPERTIES. Subject to the provisions of this Declaration, the rules and regulations of the Association, and any fees or charges established by the Association, every Member and every guest or lessee of such Member shall have an easement of enjoyment in and to the Common Properties, and such easement shall be appurtenant to and shall pass with the title to every Lot. A Member's or lessee's spouse and children who reside with such Member or lessee on the Property shall have the same easement of enjoyment hereunder as a Member. The easement of enjoyment herein shall pass from a Member to a lessee during the lease term; provided, however, the Association may adopt additional restrictions to its rules and regulations limiting the easement of enjoyment of guests and lessees, including but not limited to the specification of minimum lease terms, the number of guests allowed, or the prohibition or use by lessees or guests of specific Association properties.

Section 10.02 TITLE TO COMMON PROPERTIES. The Developer has or will convey the Common Properties by statutory warranty deed to the Association, subject to all restrictions and limitations of record and to all additional restrictions and covenants set forth in the deed of conveyance. The Association shall be required to accept such conveyance of the Common Properties and shall, after such conveyance, immediately become responsible for all maintenance, operation and such additional construction of improvements as may be authorized by the Association's Board of Directors, subject to this Declaration. The Common Properties shall also be conveyed subject to all easements and restrictive covenants of record at the time of conveyance and the rights that others may have, as referred to in Section 10.01, to use certain Common Properties.

-Section 10.03 EXTENT OF MEMBERS' EASEMENTS. The easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Association, in accordance with its By-Laws, to place mortgages or other encumbrances on the Common Properties as security for borrowings by the Association;

(b) the right of the Association, in accordance with its By-Laws, to take such steps as are reasonably necessary to protect Common Properties against foreclosure;

(c) the right of the Association, in accordance with its By-Laws, to suspend the voting rights and easements of enjoyment of any Member, lessee or guest of any Member for any period during which the payment of any assessment against the Property owned by such Member is delinquent, and for any infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay such assessment, and provided that the Association shall not suspend the right to use any roadways belonging to the Association, if any, although such use shall be subject to the rules and regulations established by the Association for such use;

(d) the right of the Association, in accordance with its By-Laws, to charge reasonable user, admission or other fees for the use of the Common Properties and any facilities included therein, it being understood that this right of the Association allows it to have fees and charges apply to any Member, guest or lessee without applying uniformly to all classes of users of the Association's facilities;

(e) the right of the Association, in accordance with its By-Laws and subject to the General Covenants, to place any reasonable restrictions upon the use of the Common Properties shown on the Plat as being within the Subdivision, subject to an Owner's or lessee's right of ingress and egress, including, but not limited to, the types and sizes of the vehicles permitted to use the pathways and access routes, the maximum and minimum speeds of vehicles using said routes, and all necessary traffic and parking regulations. The fact that such restrictions on the use of the access routes shall be more restrictive than the laws of a state or local government shall not make such restrictions unreasonable;

(f) the right of the Association, in accordance with its By-Laws, to adopt and publish rules and regulations governing the use of the Common Properties, and the conduct of Members, their lessees or guests, and to establish penalties for the infraction of such rules and regulations;

(g) the right of the Developer, or the Association in accordance with its By-Laws, to dedicate or transfer to any public or private utility company, utility or drainage easements on, over or under any part of the Common Properties;

(h) the right of the Association, in accordance with its By-Laws, to give or sell all or any part of the Common Properties including a leasehold interest, to any public agency, public authority, public service district, utility company or private concern for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such gift, sale or determination as to

REC-495 PAGE 0974

purposes and conditions shall be authorized by the affirmative vote of at least two-thirds (2/3) of the votes cast at a duly constituted meeting of the Association. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Vice President and Secretary or Assistant Secretary of the Association, and such certificate shall be annexed to any instrument, or dedication or transfer affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the Members;

(i) restrictions and limitations affecting all Property of the Subdivision as set forth in the General Covenants; and

(j) the rights that others may have, as referred to in Section 10.01, to use certain Common Properties.

Section 10.04 EASEMENTS OF JOINT OWNERS. In those instances where a Lot or Dwelling Unit is owned by two (2) or more entities or persons (who do not have the relationship of spouse, parent or minor child, one to the other) or by a trust, corporation, partnership or any other form of legal entity, such owners, trust, corporation or partnership or other entity shall annually appoint by written designation one (1) person as the "Primary Member". Such Primary Member shall have the same easement of enjoyment of Common Properties as Members who own or occupy such Property singularly. The remaining Members, fiduciaries, beneficiaries, officers or partners [in a number not to exceed six (6)] shall be entitled an easement of enjoyment subject to the limitations set forth in this Declaration in the Common Properties, by each paying to the Association annually an amount equal to ten percent (10%) of the annual assessment charged against the Property owned by such persons, trusts, partnership, corporation or entity. This provision shall not apply to primary family members (husband, wife, son, stepson, daughter, step-daughter), subject to a maximum of two (2) primary families per Dwelling Unit or Lot.

ARTICLE XI

COVENANTS FOR ASSESSMENTS

Section 11.01 CREATION OF THE LIEN AND PERSONAL OBLIGATIONS FOR ASSESSMENTS. Each Owner, except the Developer, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Developer or the Association as provided below the following: (1) annual assessments or charges; and (2) special assessments or charges for the purposes set forth in this Article, both such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments shall be a charge and continuing lien on the real Property and improvements thereon

against which each such assessment is made. Each such assessment, together with interest thereon at a rate per annum equal to ten percent (10%) from the date of delinquency until collected (unless waived by the Board), and the costs of collection thereof, including reasonable attorneys' fees, shall also be the personal obligation of the Owner of such real Property at the time when the assessment first becomes due and payable. In the case of co-ownership of a Lot, all of such co-Owners shall be jointly and severally liable for the entire amount of the assessment, interest, penalties, and cost of collection. If an assessment is not paid within forty-five (45) days after the due date, such assessment shall then be delinquent and interest shall be added to the amount as provided herein and a penalty in an amount to be determined annually by the Board of Directors of the Association and consistently applied shall be added to such assessment, and further, the Association may bring an action at law against the Owner personally, and there shall be added to the amount of such assessment the Association's actual attorneys' fees and disbursements related to such action. In the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and such actual counsel fees and disbursements together with the costs of the action. Unless otherwise provided by the Board of Directors, annual assessments shall be due and payable on or before the first day of the calendar year for which the assessment is due.

Section 11.02 PURPOSE OF THE ASSESSMENTS AND PAYMENT TO DEVELOPER. Notwithstanding any provision contained herein, until such time that the Developer has in fact conveyed to the Association all of the Common Properties, all assessments of any nature provided for herein shall be due and payable to the Developer, its successors or assigns, and all rights hereby established on behalf of the Association, including all remedies in event of default by an Owner, shall accrue to the benefit of the Developer. The assessments levied by the Association or the Developer shall be used exclusively for the improvement, landscaping, replacement, maintenance, repair, enhancement, enlargement and operation of the recreational amenities, roadways, paths, tunnels, boardwalks, bridges, security systems, patrols and gates, insect control, vegetation control, drainage systems and similar purposes which are for the benefit of Property Owners, including Common Properties, and to provide all services which the Developer or Association is authorized to provide hereunder; including, but not limited to, payment of taxes and insurance, cost of labor and equipment, erosion control devices, materials, management supervision, accounting and Property Owner information services, repayment of loans and such other action as is necessary to carry out its authorized functions. Such assessments shall not be used to maintain or repair any Property not belonging to the Association comprising a portion of the Common Properties.

REC-495 PAGE 0976

Section 11.03 APPLICATION OF "MAXIMUM" ASSESSMENT. The annual assessments, as set forth in the schedule hereinbelow, and as annually increased pursuant to the provisions of subparagraph (c) below, shall be levied by the Association or by the Developer pursuant to Section 11.01. If, however, the Board of Directors of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded by annual assessments less than those set out below, it may levy such lesser assessments. However, so long as the Developer is engaged in the Development of properties which are subject to the terms of this Declaration, the Association may not reduce annual assessments below those set out in subparagraph (a) of this Section without prior written consent of the Developer. The levy of annual assessments less than the maximum regular annual assessments in one year shall not affect the Board's right to levy the maximum regular annual assessments in subsequent years. If the Board of Directors shall levy less than the maximum regular annual assessments for any assessment year and if thereafter, during such assessment year, the Board of Directors shall determine that the important and essential functions of the Association cannot be funded by such lesser assessments, the Board may, by majority vote, levy supplemental assessments.

(a) The maximum regular annual assessment shall be the sum determined by the Board of Directors. The regular annual assessment for the year ending December 31, 1993 is Three Hundred Twenty And No/100 (\$320.00) Dollars payable quarterly, including a Twenty-Five And No/100 (\$25.00) Dollars late charge if such quarterly payment is over thirty (30) days delinquent.

(b) All assessments charged by the Association shall be rounded to the nearest dollar.

(c) From and after January 1, 1994, the maximum regular annual assessment for Improved Lots and for Unimproved Lots may be increased, adjusted or reduced from year to year by the Board of Directors of the Association as the needs of the Property, in the Board's sole judgment, may require.

Section 11.04 SPECIAL ASSESSMENTS FOR IMPROVEMENTS AND ADDITIONS. In addition to the maximum regular annual assessment authorized by Section 11.03 hereof, the Association may also levy special assessments against the Property Owners for the following purposes:

(a) construction or reconstruction, repair or replacement of capital improvements upon the Common Properties, including the necessary fixtures and personal property related thereto;

(b) additions to the Common Properties;

(c) facilities and equipment required to offer the services authorized herein;

(d) repayment of any loan made by the Association to enable it to perform the duties and functions authorized herein.

The proportion of each special assessment to be paid by the Owners of the assessable Property shall be equal to their respective proportions of the annual assessments made for the assessment year during which such special assessments are levied.

Section 11.05 RESERVE FUNDS. The Association may establish reserve funds from its annual assessments to be held in reserve in an interest bearing account or in obligations of the United States, State of Alabama, or any agency of either, or in Triple-A debt, or in prime commercial paper with a maturity of not more than nine (9) months, as a reserve for (a) major rehabilitation or major repairs, (b) emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss, (c) recurring periodic maintenance, and (d) initial costs of any new service to be performed by the Association.

Section 11.06 DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS. Notwithstanding anything in the foregoing to the contrary, the annual assessments provided for herein shall commence on January 1, 1993. The annual assessment for the remainder of the year 1993 shall be due and payable on the date the Lot is purchased.

Section 11.07 DUTIES OF THE BOARD OF DIRECTORS. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot, in accordance with the assessment schedule as provided hereinabove, and shall at that time direct the preparation of an index of the properties and assessments applicable thereto which shall be sent promptly to every Member subject thereto.

The Association shall upon written demand from any Owner at any time furnish to such Owner liable for any assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence against all but the Owner of payment of any assessment therein stated to have been paid.

Section 11.08 SUBORDINATION OF THE LIEN OF MORTGAGE. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments occurring subsequent to the date such mortgage becomes of record and, provided further, that upon a sale or transfer of such Property pursuant to foreclosure, or any other proceeding or deed in lieu of foreclosure, the title acquired by the purchaser of such Property shall be subject to the lien of such subsequent assessments.

Section 11.09 EXEMPT PROPERTY. The following property, individuals, partnerships, or corporations subject to this

Declaration shall be exempted from the assessments, charges and lien created herein:

- (a) the Developer and any Lot(s) owned by the Developer;
- (b) the grantee in conveyances made for the purpose of granting utility and drainage easements;
- (c) the Common Properties;
- (d) property which is used in the maintenance and service of facilities within Common Properties, or by non-profit, governmental or charitable institutions; and
- (e) Lots owned by approved builders and contractors during the calendar year 1993 only.

Section 11.10 ANNUAL STATEMENTS. The President, Treasurer, or such other officer as may have custody of the funds of the Association, within ninety (90) days after the close of each fiscal year of the Association, shall prepare and execute general itemized statements as of the close of such fiscal year showing the actual assets and liabilities of the Association, and a statement of revenues, costs and expenses. The name of any creditor to which an amount of more than Two Hundred Fifty and No/100 Dollars (\$250.00) is owed by the Association shall be set out in such statement. The Association shall furnish to each Member of the Association who may make a request therefor in writing, a copy of such statement within thirty (30) days after receipt of such request. Such copies may be furnished to the Member either in person or by mail.

Section 11.11 ANNUAL BUDGET. The Board of Directors shall cause to be prepared and make available to all Members at the office of the Association at least sixty (60) days prior to the first day of the following fiscal year, a budget outlining anticipated receipts and expenses for such fiscal year. The financial books of the Association shall be available for inspection by all Members at the office of the Association at all reasonable times.

(a) Amendments to this Declaration may be proposed by either the Board of Directors of the Association acting upon a vote of the majority of the Directors, or by the affirmative vote of Members of the Association who own not less than a majority of the Lots, whether meeting as Members or by instrument in writing signed by them. Upon any amendment or amendments to the Declaration being proposed by the said Board of Directors or Members, such proposed amendment or amendments shall be transmitted to the President of the Association or, in the absence of the President, such other officer of the Association, who shall thereupon call a special

meeting of the members of the Association for a date not sooner than twenty (20) days, nor later than sixty (60) days, from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary of the Association to give each Member written or printed notice of such special meeting, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form, which notice shall be mailed not less than ten (10) days or more than fifty (50) days before the date set for such special meeting. Such notice shall be given to any Institutional Mortgagee of record who requests such notices and provides an address therefor to the Association. If mailed, such notice shall be deemed to be properly given when deposited in the United States mail, addressed to the Member at the Member's mailing address as it appears on the records of the Association, the postage thereon being prepaid. Any Member may, by written waiver of notice signed by such Member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such Member. At such special meeting, the amendment or amendments proposed must be approved by the affirmative vote of Members who own not less than two-thirds (2/3) of the total Lots of the Property in order for such amendment or amendments to become effective. Thereupon, such amendment or amendments to the Declaration shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted and the original or executed copy of such amendment or amendments so certified and executed with the same formalities as a deed shall be recorded in the Office of the Judge of Probate of Baldwin County, Alabama, within twenty (20) days from the date on which the same became effective, such amendment or amendments to specifically refer to the recording identifying the Declaration. Thereafter, a copy of said amendment or amendments, in the form in which the same were placed of record, shall be delivered to all of the Owners, but mailing or delivering a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments. The written vote of any member of the Association shall be recognized if such member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association at or prior to such meeting.

Section 14.03 SCRIVENER'S ERROR. Notwithstanding the foregoing amendment provisions, any scrivener's error or omission may be corrected by the filing of an amendment to this Declaration consented to by the Board of Directors of the Association and any Owners or mortgagees of record directly affected by the amendment. No other Owner is required to consent to any such amendment. If there appears to be any other omissions or errors in this Declaration, scrivener's or otherwise, and such error or omission does not materially adversely affect the rights and interest of any other party, then such error or omission may be corrected by the filing of an amendment to this Declaration executed by the Board of

ARTICLE XV

GENERAL PROVISIONS

Section 15.01 DURATION. All covenants, restrictions, and affirmative obligations set forth in this Declaration shall run with the land and shall be binding on all parties and persons claiming under them specifically including, but not limited to, the successors and assigns, if any, of the Developer for a period of thirty (30) years from the execution date of the Declaration, after which time all said covenants shall be automatically extended for successive periods of ten (10) years each, unless changed in whole or in part by an instrument signed by the Owners of at least two-thirds (2/3) of the Lots.

Section 15.02 ENFORCEMENT. This Declaration shall be enforceable by the Association, the Developer, the Architectural Review Board, or any Member of the Association by a proceeding at law or in equity against any person or persons violating or attempting to violate or circumvent any covenant or restriction, either to restrain violation or to recover damages, and to enforce any lien created by this Declaration. Failure by the Association or any Member or the Developer to enforce any covenant or restriction herein contained for any period of time shall in no event be deemed a waiver or estoppel of the right of any of the foregoing to enforce same thereafter.

Section 15.03 INTERPRETATION. The Board of Directors of the Association shall have the right to determine all questions arising in connection with this Declaration and to construe and interpret its provisions, and the determination of the Board shall be final and binding.

Section 15.04 SEVERABILITY. Should any covenant or restriction herein contained, or any article, section, subsection, sentence, clause, phrase or term of this Declaration be declared to be void, invalid, illegal, or unenforceable, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, such judgment shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

Section 15.05 AUTHORIZED ACTION. All actions which the Association is allowed to take under this instrument shall be authorized actions of the Association in the manner provided for in the By-Laws of the Association, unless the terms of this instrument provide otherwise.

Section 15.06 **NOTICE.** Any notice required to be sent to any Member under the provisions of this Declaration shall be deemed to have been properly sent, and notice thereby given, when mailed, with the proper postage affixed, to the address of such Member appearing on the Association's Membership list not less than thirty (30) days prior to the date of the meeting at which any proposed action is to be considered. Notice to one or more co-Owners or co-tenants of a Lot shall be considered notice to all co-Owners. It shall be the obligation of every Member to immediately notify the Secretary of the Association in writing of any change of address. Any person who becomes a Member following the first day of the calendar month in which said notice is mailed shall be deemed to have been given notice if notice was given to the Member's predecessor in title.

Section 15.07 **LIMITED LIABILITY.** In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Developer contemplated under this Declaration, the Developer shall not be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way relating to the subject matter of any such review, acceptance, inspection, permission, consent, or required approval, whether given, granted, or withheld.

Section 15.08 **TERMINATION OF ASSOCIATION.** In the event that this Declaration is declared to be void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, or if the Members of the Association should vote not to renew and extend this Declaration as provided for herein, all Common Properties owned by the Association at such time shall be transferred to a Trustee appointed by the Circuit Court of Baldwin County, Alabama, which Trustee shall own and operate said Common Properties for the use and benefit of Owners within the Property as set forth below:

(a) Each Owner of any Lot shall be subject to an annual assessment which shall be paid by the Owner to the Trustee. The amount of such annual assessment and its due date shall be determined by the Trustee, in accordance with the provisions of Article XI.

(b) The Trustee shall be required to use the funds collected as annual assessments for the operation, maintenance, repair and upkeep of the Common Properties as provided in this Declaration. The Trustee may charge as part of the cost of such functions the reasonable value of its services in carrying out the duties herein provided. The Trustee shall not have the obligation to provide for the operation, maintenance, repair and upkeep of the Common

Properties once the funds provided by the annual assessments have been exhausted.

Section 15.09 OTHER PROPERTY NOT SUBJECT TO DECLARATION. This Declaration shall not apply to or affect any other property owned by the Developer or located adjacent to or contiguous to the Property which is not specifically subjected to this Declaration by the Developer by written instrument recorded in the Public Records.

Section 15.10 ADDITIONAL RESTRICTIONS. The Developer hereby reserves the right to add additional restrictive covenants in the future which may apply to any portion of the Property which has not been conveyed by the Developer to any grantee.

Section 15.11 SUCCESSORS TO DEVELOPER. The Developer reserves the right to assign to the Association or to any other entity any of its rights or functions reserved in these Covenants including, but not limited to, its rights to approve (or disapprove) plans and specifications of proposed improvements, its right to amend this Declaration, and its rights of enforcement.

Section 15.12 CAPTIONS. The captions in this Declaration are for convenience only and are not a part of this Declaration and do not in any way limit or amplify the terms and provisions of this Declaration.
