(G) **Easements Appurtenant To Units.** The easements and other rights created herein for the Unit Owners shall be appurtenant to the Unit of that Owner and all conveyances of title to the Unit shall include a conveyance of the easements and rights as herein provided even though no specific reference to such easements and rights appear in such instrument. The Owners of Units with Limited Common Elements which are appurtenant to such Unit as designated or described on the Plan attached hereto shall have the exclusive right to use such Limited Common Elements so designated or described unless changed by the Developer as permitted herein or by the unanimous approval of the Owners and their respective Mortgagees. Provided, however, that any change (other than a change occasioned by the exercise of the right to add additional Units as a result of the phased development by the Developer) which shall result in a change in the undivided interest in the Common Elements or the Limited Common Elements or a change in the share of the Common Expenses or the Limited Common Expenses with respect to Owners of Units other than the Developer at the time of such change or which shall result in the alteration of boundaries of Units (other than the common walls separating the Units owned by the Developer) may not be made without an amendment of this Declaration approved by the Owners and Mortgagees in the manner elsewhere required herein. The reserved development rights related to the construction and development of the Units in three phases may be exercised in any order but must be exercised and completed on or before December 31, 2016 and the other Special Development rights reserved in this Article IV shall exist and may be exercised by Developer until such time as the Developer no longer owns any Unit in the Condominium or holds any Unit in the Condominium for sale in the ordinary course of business or lease any Unit it owns but in no event after December 31, 2016.

4.02 **Right To Convert Units Into Common Elements.** The Developer expressly reserves the right until the second anniversary of the recordation of this Declaration to convert any Unit into Common Elements or Limited Common Elements, or both. There is no limitation on this option to increase the size of the Units.

4.04 **Use For Sales Purposes.** All Units and the Common Elements shall be subject to the statutory right concerning sales and management offices and models in Units and the Common Elements in favor of the Developer provided in §35-8A-215 of the Act. The Developer otherwise expressly reserves the right to use one (1) or more Units owned by the Developer as models, and any portion of the Common Elements or one (1) or more Units for management offices and/or sales and leasing offices. The Developer reserves the right to relocate offices and/or models from time to time

within the Property. Upon relocation or sale of a model, the management office or sales-office and the furnishings thereof may be removed by the Developer. The Developer further reserves the right to maintain on the Common Elements advertising signs in any location or locations and from time to time to relocate and/or remove the same, all in the sole discretion of the Developer.

4.05 **Use By The Developer.** Subject to the rights of the Mortgagees hereunder, neither the Owners nor the Board Of Directors nor their use of the Condominium Property or application of this Declaration shall interfere with the completion of the contemplated improvements and sales of the Units in the Condominium until the Developer has completed all of the Developer's contemplated improvements and closed the sales of all of such Units. These Special Declarant Rights exist so long as the Developer owns any Unit in the Condominium or holds any Unit in the Condominium for sale in the ordinary course of business or lease any Unit it owns. The Developer expressly reserves the right to lease any Unit which it may own in the Condominium Property on such terms as it may deem proper and desirable and may transfer Units subject to such lease, including leasing such Unit(s) to the Association for use as a management sales, or leasing office.

6.01 **Liability, Lien And Enforcement.** The Association is given the authority to administer the operation and the management of the Common Elements and Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect assessments against the Owners of all Units to pay Common Expenses and such other expenses which the Association is authorized to incur under the terms and conditions of this Declaration. In furtherance of said grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Units.

6.02 **Assessments.** All assessments for the payment of Common Expenses shall be levied annually and paid monthly by the Owners of all Units, and unless specifically otherwise provided for in this Declaration, each Owner of a Unit and each Owner's Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements and Limited Common Elements appurtenant to said Unit. The assessments for Common Expenses shall be payable over the course of the year in advance in monthly installments commencing on the date of the purchase of a Unit or in such other installments and at such times as may be determined by the Board Of Directors in accordance with the Association's By-Laws.

6.03 **Annual Budget.** Within sixty (60) days prior to the beginning of each fiscal year of the Association, the Board Of Directors shall adopt a proposed annual budget for the next fiscal year, and such budget shall project the amount of funds for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Property, including reasonable allowances for contingencies and reserves therefore if the Board Of Directors shall so provide, in accordance with the Act and this Declaration. Said budget shall take into account any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Within thirty (30) days after adoption of such annual budget by the Board Of Directors, copies of said budget shall be made available to each Member. The Board Of Directors shall set a date for a meeting of the Members to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing or delivering the budget to the Members. Unless at such meeting a majority of the Members present in person or by proxy reject the budget, the budget is ratified. In the event the proposed budget is rejected, the budget for the last year shall continue in effect until such time as a new budget is ratified. If the budget is ratified, the assessment for said year shall be established based upon such budget.

Should the Board Of Directors at any time determine in the sole discretion of said Board Of Directors that the assessments levied are or may prove to be insufficient for any reason including emergencies and nonpayment of any Owner's assessment, the Board Of Directors shall have the authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Act. The initial projected and estimated annual maintenance budget for the Condominium Property is attached to this Declaration as Exhibit "G", and made a part hereof for all purposes.

6.04 **Omission Of Assessment.** The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

6.05 **Detailed Records.** The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements and Limited Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements, Limited Common Elements and any other expenses incurred. Records and vouchers authorizing the payments involved shall be available for examination by any Member or Member's representative at convenient hours on weekdays in a location designated by the Board Of Directors in Mobile or Baldwin County, Alabama.

No Unit Owner may be exempted from liability for such Unit Owner's contribution toward Common Expenses or Limited Common Expenses by waiver of the use or enjoyment of any of the Common Elements, Limited Common Elements or by abandonment of an Owner's Unit. No Unit Owner shall be liable for the payment of any part of the Common Expenses or Limited Common Expenses assessed against such Owner's Unit subsequent to a sale or other conveyance by the Owner of such Unit. The purchaser of a Unit shall be jointly and severally liable with the selling Unit Owner for all unpaid assessments against such Unit up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Unit Owner the amounts paid by the purchaser therefor. Whenever any Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Declaration, the Association, upon written request of the Owner or purchaser of such Unit, shall furnish to the Owner, the purchaser or any proposed Mortgagee (within the time period prescribed by the Act) a statement verifying the status of the payment of any assessment which shall be due and payable to the Association by the Owner of such Unit and the other information required by the Act. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed purchase or mortgage transaction and the Association shall be bound by such statement. In the event that a Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be

applied by the Purchaser or Mortgagee to the payment of any delinquent assessment or installment due the Association before application of the payment to the selling Unit Owner.

6.07 Default In Payment Of Assessments. The payment of any assessment or installment thereof due the Association shall be in default if such Assessment or any installment thereof is not paid to the Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the rate established by the Board Of Directors not to exceed the maximum interest rate per annum allowed by law, until such delinquent assessment or installment and all interest due thereon has been paid in full. The Association shall have a lien against Units for delinquent assessments. Said lien shall secure and does secure the monies due for all assessments then or thereafter levied against the Owner of each Unit, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Said lien shall also secure all costs and expenses, including late penalties and reasonable attorneys' fees and court costs incurred by the Association in collecting delinquent assessments and enforcing the same upon said Unit and its appurtenant undivided interest in the Common Elements or Limited Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Alabama. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens, or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien and the Association shall further be entitled to interest at the maximum legal rate on judgments or the rate established by the Board Of Directors, whichever is greater, on any such advance made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Unit or who may be given or acquire a mortgage, lien, or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Unit expressly subject to the lien.

The lien herein granted to the Association shall be effective from and after the time of the recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama, and no further recordation of any claim of lien for assessment under this section is required. Such lien shall include only assessments which are due and payable when the action to enforce the lien is commenced plus late penalties and penalties imposed by the Association for Rules And Regulations violations, interest, costs, reasonable attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided.

6.08 Election Of Remedies. Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent its thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to it, nor shall proceeding by foreclosure to effect such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

ARTICLE VII

MAINTENANCE AND OPERATION OF THE CONDOMINIUM PROPERTY

7.01 **The Association's Obligation To Repair.** The Association acting through the Board Of Directors shall be responsible for the maintenance, repair and replacement of the following, the costs of which shall be charged to all Unit Owners as a Common Expense:

- (A) the Common Elements which by definition exclude the surfaces of all interior walls, floors, ceilings, entrance doors, and windows of the Units (except the painting of the exterior faces of the exterior doors and windows which shall be the responsibility of the Association);
- (B) incidental damage caused to a Unit by any work done by the Association;
- (C) portions of all Units contributing to the support of the building, the outside walls and load bearing columns, excluding, however, interior wall and floor surfaces; and
- (D) the Limited Common Elements.

This section shall not relieve a Unit Owner of liability for damage to the Common Elements or Limited Common Elements caused by the Unit Owner, the Unit Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Unit Owner, the Unit Owner's family, members, guests, invitees, lessees or licensees shall be a special assessment against the Unit Owner responsible therefor.

7.02 **Each Owner's Obligation To Repair.**

(A) Except for those portions of the Condominium Property which the Association is required to maintain and repair, each Owner shall, at such Owner's expense, maintain the Private Elements attributable to such Owner's Unit in good tenantable condition and repair, and shall be responsible for the repair, maintenance and replacement, if necessary, of the following items in such Owner's Unit:

- (1) fixtures and equipment in such Owner's Unit, including the refrigerator, stove and all other appliances within the Unit; drains, sinks, plumbing and plumbing fixtures, and connections within the Unit; electrical panels, wiring, outlets, and electrical fixtures within the Unit; interior doors, window frames, screening and glass; all exterior doors (except the painting of the exterior faces of the exterior doors and windows which shall be the responsibility of the Association); all wall coverings including paint, wallpaper and light fixtures; and all flooring including carpeting, vinyl and ceramic tile within a Unit; and

(2) plumbing, heating, air conditioning and electrical systems serving only that Unit, including the fuse boxes, wiring, flues, and all other plumbing, electrical, gas or mechanical systems.

In the event any such system or a portion thereof is within another Unit or requires access to another Unit, the repair, maintenance or replacement thereof shall be performed by the Association, and the cost thereof shall constitute an assessment against the Unit Owner responsible therefor.

(B) Each Unit Owner agrees as follows:

(1) to perform all maintenance, repairs and replacements which are the Unit Owner's obligations under subparagraph (A) of this Section;

(2) to pay all utilities as herein provided and all taxes levied against the Owner's Unit;

(3) not to make or cause to be made repairs to any plumbing, heating, ventilation or air conditioning system located outside the Owner's Unit, but required to be maintained by such Unit Owner elsewhere herein except by licensed plumbers or electricians authorized to do such work by the Association or its delegate;

(4) not to make any addition or alteration to such Unit Owner's Unit or to the Common Elements or Limited Common Elements or to do any act that would impair the structural soundness, safety or overall design scheme of any part of the Condominium Property or that would impair any easement or right of a Unit Owner or Declarant without the prior written consent of the Association and all Unit Owners affected thereby.

(5) not to make any alteration, addition, improvement, decoration, repair, replacement or change to the Common Elements, Limited Common Elements, or to any outside or exterior portion of the Unit, excluding any alteration or addition made pursuant to the procedure described in subparagraph (4) above and including, but not limited to, altering in any way exterior doors, windows, or the exterior faces of the exterior doors or windows, affixing outside shutters to windows or painting any part of the exterior of an Owner's Unit, without the prior written consent of the Association; provided that if such consent is granted, the Unit Owner shall use only a contractor approved by the Association, who shall comply with all Rules And Regulations with respect to the work which may be adopted by the Association and the Unit shall be liable for all damages to another Unit or to the Common Elements or Limited Common Elements caused by any contractor employed by such Unit Owner or by the subcontractors or employees of such contractor, whether said damages are caused by negligence, accident, or otherwise; and

(6) to promptly report to the Association any defects or needed repairs for which the Association is responsible.

(C) The Association shall be obligated to answer any request by a Unit Owner for any required approval of a proposed addition, alteration or improvement (by painting or otherwise) within forty-five (45) days after such request, but its failure to do so within the stipulated time shall not constitute the consent of the Association to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Association, without, however, it's incurring any liability on the part of the Board Of Directors or any one (1) of them or the Association to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim of injury to a person or damage to property arising therefrom. The review by the Association under this section shall in no way make the Association liable for any alterations, additions, or improvements by any Unit Owner. Rather, such review is for purposes of aesthetics and control only. The provisions of this section shall not apply to Units owned by the Developer until a deed for such Unit has been delivered to a purchaser other than the Developer.

7.03 **Alterations, Additions And Improvements By The Association.** Except in the case of loss or damage to the Common Elements or Limited Common Elements as contemplated by Article X of this Declaration, the Association shall not make any material structural alterations, capital additions or capital improvements to the Common Elements or Limited Common Elements (other than for the purpose of replacing, restoring or rehabilitating portions of the Common Elements or Limited Common Elements which is in accordance with this Declaration and which does not require an expenditure of more than TWENTY-FIVE THOUSAND AND NO/ 100 DOLLARS \$25,000.00) , exclusive of any funds applied from the reserves maintained hereunder) unless the same is authorized by the Board Of Directors and ratified by the affirmative vote of the voting members casting not less than sixty percent (60%) of the total votes of the Members of the Association present at any regular or special meeting of the Members called for that purpose at which a quorum is present and approved by a majority of the Mortgagees eligible to vote therefor. The cost of the foregoing shall be assessed against the Owners of Units as provided herein except as otherwise provided in this section. Where any alterations or additions as aforesaid are exclusively or substantially exclusively for the benefit of the Unit Owners requesting the same, then the cost of such alterations or additions shall be assessed against and collected solely from the Unit Owners exclusively, or substantially exclusively, benefitting therefrom, and the assessment shall be levied in such proportions as may be determined to be fair and equitable by the Board Of Directors. Where such alterations or additions exclusively, or substantially exclusively, benefit Unit Owners requesting the same, said alterations and additions shall be made only when authorized by the Board Of Directors and ratified by not less than sixty percent (60%) of the total votes of the Members exclusively, or substantially exclusively, benefitting therefrom. Alterations, improvements or repairs of an emergency nature may be made upon authorization by a vote of the majority of the Directors available for consultation if the same is necessary and in the best interest of the Members.

7.04 **Utilities.** Each Unit Owner shall be required to pay all charges for utilities, including but not limited to electricity, gas, cable television, and telephone service, used or consumed in an Owner's Unit. The utilities serving the Common Elements only shall be separately metered and paid by the Association as a Common Expense. The Association shall have authority to pay the cost of

the utilities used or consumed in the Units and have the costs thereof apportioned among the Units based upon use of the utility or any other formula the Association may deem appropriate.

ARTICLE VIII

RESTRICTIONS ON USE OF UNITS, COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

8.01 **Rules And Regulations Concerning The Use Of The Condominium.** The Association is authorized to promulgate, amend and enforce the Rules And Regulations, a copy of which is attached hereto as Exhibit "D", concerning the operation and use of the Condominium provided that such Rules And Regulations are not contrary to or inconsistent with the Act and the Condominium Documents. A copy of the Rules And Regulations shall be furnished by the Board Of Directors to each Unit Owner prior to the time they become effective. All present and future Unit Owners, tenants, occupants, and any person who uses any part of the Condominium Property in any manner, are subject to, and shall comply with the provisions of the Condominium Documents and the Rules And Regulations. The acquisition, rental or occupancy of a Unit or the use of any part of the Condominium Property by any one (1) person shall constitute such person's agreement to be subject to and bound by the provisions of the Condominium Documents and the Rules And Regulations, and such provisions shall be deemed to be enforceable as equitable servitudes and covenants running with the Land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated in full in each and every deed of conveyance or lease thereof. The Association may promulgate enforcement provisions for violation of any Rule or Regulation by an Owner, an Owner's family members, guests, invitees, lessees or renters, including the payment of penalties for such violations.

8.02 **Restrictions On Use.** The use of the Condominium Property is subject to the following restrictions:

(A) Each Unit is hereby restricted to residential use and the parking spaces shall be used exclusively for the parking of passenger automobiles.

(B) There shall be no obstruction of the Common Elements or Limited Common Elements, nor shall anything be kept or stored in the Common Elements or Limited Common Elements (except terraces), nor shall anything be constructed on or planted in or removed from the Common Elements or Limited Common Elements, nor shall the Common Elements in any other way be altered without the prior written consent of the Association.

(C) No immoral, improper, offensive or unlawful use shall be made of any Unit or Common Elements or Limited Common Elements, or any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction over the Condominium Property shall be observed.

(D) No Owner shall permit anything to be done or kept in an Owner's Unit or in the Common Elements or Limited Common Elements which will result in any increase of fire or hazard insurance premiums or the cancellation of insurance on any part of the Condominium Property, or which would be in violation of any law. No waste shall be committed to the Common Elements or Limited Common Elements.

(E) No sign of any kind shall be displayed to the public view on or from any part of the Condominium Property, without the prior written consent of the Board Of Directors, except signs used by the Developer in the selling or leasing of the Units.

(F) No noxious or offensive activities shall be carried on, nor shall any outside lighting or sound speakers or other sound producing devices be used, nor shall anything be done, on any part of the Condominium Property which, in the judgment of the Board Of Directors, may be or become an unreasonable annoyance or nuisance to the other Owners.

(G) No Owner shall cause or permit anything to be placed on the outside walls of an Owner's Unit, and no sign, awning, canopy, window air conditioning unit, shutter, or other fixture shall be affixed to or placed upon the exterior walls or roof of any building or any part thereof, without the prior written consent of the Board Of Directors.

(H) No clothes, sheets, blankets, towels, laundry of any kind or other articles shall be hung out or exposed on any part of the Common Elements or Limited Common Elements. The Common Elements and Limited Common Elements shall be kept clear of rubbish, debris and other unsightly materials.

8.03 **Right Of Access.** Each Unit Owner grants a right of access to such Owner's Unit to the Association, and to any other person authorized by the Association for the purpose of making inspections and for the purpose of correcting any condition originating in an Owner's Unit and threatening other Units, Common Elements or Limited Common Elements, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements within an Owner's Unit, if any, or to correct any condition which violates the provisions of any Mortgage covering another Unit, or to enforce any provision of the Condominium Documents, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate whether the Unit Owner is present at the time or not. Each Unit Owner further grants a right of access to such Owner's Unit to the Developer and/or the Developer's agent for the purpose of making all repairs required by any warranty delivered to the Unit Owner at the closing of an Owner's Unit. To the extent that damages inflicted on the Common Elements, Limited Common Elements or any Unit through which access is taken, the Unit Owner or the Association, if it causes the same, shall be liable for the prompt repair thereof.

8.04 **Limitation Of Liability.** The Association shall not be liable for any failure of water or power supply, telephone, security, fire protection or other service to be obtained by the

Association or paid for out of the Common Expense funds or problems resulting from the operation or lack of operation of sewer lines servicing the Condominium Property, or for injury or damage to a person or property caused by the natural elements or resulting from electricity, water, snow or ice which may leak or flow from any portion of the Common Elements, Limited Common Elements or from any wire, pipe, drain, conduit, appliance or equipment. The Association shall not be liable to the Owner of any Unit for the loss or damage, by theft or otherwise, of articles which may be stored upon any of the Common Elements or Limited Common Elements. No diminution or abatement of the Common Expense assessments, as herein elsewhere provided, shall be claimed or allowed for any reason, except by action taken by the Board Of Directors in accordance with the By-Laws.

8.05 **Abatement Of Violations.** The violation of any Rule or Regulation adopted by the Board Of Directors or breach of the provisions of the Condominium Documents, shall give the Developer, the Association, or any Unit Owner the right, in addition to any other right or remedy elsewhere available, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. All expenses of such actions or proceedings against a defaulting Unit Owner, including court costs, attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all of the same upon the Unit of such defaulting Owner, upon all of such defaulting Owner's additions and improvements thereto and a security interest under the Alabama Uniform Commercial Code upon all of such defaulting Owner's personal property in such defaulting Owner's Unit or located elsewhere on the Condominium Property. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association and the expense of any action to remedy a default of the Association shall be a Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding.

8.06 **Failure Of The Association To Insist On Strict Performance: No Waiver.** Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such terms, covenants, conditions or restrictions, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board Of Directors.

ARTICLE IX

RIGHTS OF MORTGAGEES

9.01 **Notification Of Mortgagees Required.** Any Mortgagee shall have the right to be given written notification by the Association of (a) any sixty (60) day default by the Owner of the Unit covered by the Mortgage in the payment of assessments or in any other provision of the Condominium Documents; (b) any loss to or taking of the Common Elements or Limited Common Elements if such loss or taking exceeds TEN THOUSAND AND NO/100 DOLLARS (\$10,000.00); (c) damage to a Unit covered by the Mortgage if the amount of such damage exceeds TEN THOUSAND AND NO/100 DOLLARS (\$10,000.00); (d) any condemnation of all or a portion of the Condominium Property; (e) a lapse or cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (f) any proposed action that requires the consent of a specified percentage of Mortgagees.

9.02 **Right Of Inspection.** Mortgagees shall have the right to examine the books and records of the Association or the Condominium Property and to receive annual reports, other financial data, and, upon request, an annual audited statement, within ninety (90) days following the end of any fiscal year of the Association.

9.03 **Required Reserve Funds And Working Capital Fund.** Assessments levied by the Board Of Directors shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements and Limited Common Elements that must be replaced or repaired on a periodic basis, and may be payable in regular installments rather than by special assessments. A working capital fund shall be established for each Unit Owner purchasing a Unit. Assessments levied by the Board Of Directors shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements and Limited Common Elements that must be replaced or repaired on a periodic basis, and shall be payable in regular installments rather than by special assessments. A working capital fund shall be established and each Unit Owner purchasing a Unit from the Developer shall pay a one (1) time assessment equal to two (2) months assessment at the time of closing the purchase by each Unit Owner of a Unit to be used by the Association as working capital.

9.04 **Priority Of Mortgagees.**

(A) Any lien which is or may be created hereunder upon any Unit, including, but not limited to, the lien created for assessments herein and the right to foreclose the same is and shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any Mortgage upon such interest made in good faith and for value and recorded prior to the creation of the lien hereunder, provided that after the foreclosure of any such mortgage there may be a lien created pursuant to this Declaration on the interest of the purchaser as an Owner after the date of such foreclosure sale to secure all assessments hereunder. After the date of such foreclosure

sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein.

Notwithstanding the above, the lien created pursuant to this Declaration is prior to any Mortgage to the extent of the Common Expense assessments based on the annual budget which would have become due in absence of acceleration during the six (6) months immediately preceding institution of an action to enforce the lien.

(B) No provision of this Declaration, the Articles, the By-Laws or the Rules And Regulations shall be construed to grant to any Unit Owner, or to any other party any priority over any rights of the Mortgagees of the Units pursuant to their Mortgages in the case of distribution to Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Units or the Common Elements, the Limited Common Elements or any portion thereof.

(C) As provided in the Act, all assessments, property taxes and other charges imposed by any taxing authority which may become liens prior to a Mortgage, shall be separately assessed against and collected on each Unit as a single parcel, and not on the Condominium as a whole.

(D) No breach of the covenants, conditions or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

9.05 **Request For Protection By Mortgagees.** Whenever any Mortgagee desires the benefit of the provisions of this article to be applicable to such Mortgagee, the Mortgagee shall serve written notice of such fact upon the Association, by registered or certified mail, addressed to the Association, and actually mailed to the Association's address, identifying the Unit upon which it holds a Mortgage or identifying any Units owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by the Mortgagee. Said notice shall designate the place to which the notices are to be given by the Association to such Mortgagee.

ARTICLE X

CASUALTY LOSS AND INSURANCE

10.01 Responsibility Of Owners; Separate Insurance Coverage.

(A) The Owner of each Unit may, at the Unit Owner's expense, obtain insurance coverage for loss of or damage to the Private Elements, any furniture, furnishings, personal effects, and other property belonging to such Owner, and may, at the Unit Owner's expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such Owner's Unit or upon the Common Elements or Limited Common Elements. Risk of loss of or

damage to any furniture, furnishings and personal property belonging to or carried on the person of the Owner, or which may be stored in any Unit, or in or upon Common Elements or Limited Common Elements, shall be borne by the Owner of each Unit. All furniture, furnishings and personal property constituting a portion of the Common Elements and held for the joint use and benefit of all Owners of Units shall be covered by such insurance as the same shall be maintained in force and effect by the Association as hereinafter provided. Each Owner shall be required to notify the Association of all improvements made by the Owner to the Owner's Unit, the value of which is in excess of FIVE THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$5,500.00). All insurance obtained by the Owner of each Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Owners, the Association or the Developer, and their respective servants, agents, employees and guests.

(B) Any Owner who obtains an individual insurance policy covering any portion of the Condominium Property other than property belonging to such Owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after the purchase of such insurance. In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage maintained by the Association for the benefit of all Owners on a casualty loss to the Condominium Property by reason of proration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property and such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this article.

10.02 Insurance To Be Maintained By The Association.

(A) **Hazard Insurance.** The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design, location and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism and malicious mischief endorsements. If the Condominium Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than one hundred percent (100%) of the then current replacement cost of the improvements, including fixtures, equipment and other personal property inside the Units in the Condominium Property (but excluding land, foundations, excavations and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined), as trustee for the use and benefit of the individual Owners (without naming them) in the proportionate shares equal to their respective percentage ownership of the Common Elements and Limited Common Elements. Periodically, prior to the renewal of any such

policy or policies of insurance, the Association shall obtain an opinion or an appraisal from a qualified appraiser for the purpose of determining the full replacement cost of the Common Elements, the Limited Common Elements and the Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion or appraisal shall be a Common Expense. All such policies of insurance shall comply with the provisions of this Article and shall (i) contain standard mortgagee loss payable clause endorsement in favor of the Mortgagee or Mortgagees of each Unit, if any, as their respective interests may appear; and (ii) provide that the insurance shall not be invalidated by any act or neglect of any Owner.

(B) **Public Liability And Property Damage Insurance.** The Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount, but not less than ONE MILLION DOLLARS(\$1,000,000.00), and in such form as shall be required by the Association to protect said Association and the Owners of all Units, which provide coverage for bodily injury and property damage resulting from the operation, maintenance or use of the Common Elements and Limited Common Elements and for legal liability resulting from employment contracts to which the Association is a party, and for claims against the officers and members of the Board Of Directors for claims arising out of the negligent performance of their duties.

(C) **Worker's Compensation Insurance.** The Association shall obtain and maintain at all times a policy or policies of worker's compensation insurance to meet the requirements of the laws of the State of Alabama.

(D) **Fidelity Bonds.** The Association shall obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association naming the Association as the obligee. The amount of the fidelity bond should cover the maximum funds that will be in the custody of the Association, but not less than the sum of three (3) months assessments on all Units plus the reserve funds of the Association, if any.

(E) **Other Insurance.** The Association shall obtain and maintain such other insurance coverage as the Board Of Directors, in its sole discretion, may determine from time to time to be in the best interest of the Association and the Owners of all Units.

10.03 **Governing Provisions.** All insurance obtained and maintained by the Association as provided above shall be governed by the following provisions:

(A) All policies shall (i) comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and (ii) be written with a company licensed to do business in the State of Alabama and holding a financial rating of "A" or better by Best's Insurance Reports or other then comparable rating. To the extent that the provisions of this Declaration with respect to the maintenance of insurance shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National

Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control and such requirements shall be complied with by the Association.

(B) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property shall be vested in the Association or its authorized representatives.

(C) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(D) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

(1) A waiver of subrogation by the insurer as to any claims against the Association, the Board Of Directors, the Developer or the Owners;

(2) An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days prior written notice to the Association and the Mortgagee of each Unit;

(3) The insurance coverage will be primary, even if a Unit Owner has other insurance that covers the same loss; and

(4) No act or omission by any Unit Owner, unless acting within the scope of Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

10.04 **Premiums.** Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense; except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy or abandonment of a Unit or its appurtenances or of the Common Elements by an Owner shall be assessed against that Owner.

10.05 **Insurance Trustee.** The Association may engage the services of a bank or trust company authorized to do trust business in the State of Alabama and having a capital surplus of not less than FIFTY MILLION DOLLARS (\$50,000,000.00) to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Declaration. In the event the lowest of two (2) bids from reputable contractors for making all repairs required by any such loss shall exceed FIFTY THOUSAND AND NO/100 DOLLARS (\$50,000.00), the Association upon written demand of the Mortgagee of any Unit shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to said Insurance Trustee for its services rendered hereunder, and shall pay such costs and expenses as said Insurance Trustee may

incur in the performance of any duties and obligations imposed upon it hereunder. Said Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then for only such money which comes into the possession of said Insurance Trustee. Whenever the Insurance Trustee may be required to make a distribution of insurance proceeds to Owners of Units and their Mortgagees, as their respective interests may appear, or to any other party for repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each Unit, the name of the Mortgagee who may hold a Mortgage encumbering each Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any Unit, and the Unit Owner's respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any Unit under any standard mortgagee clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property; provided, however, that if the Association or the Insurance Trustee fails to perform all the conditions precedent required by the policy or policies of insurance, and fails to collect the amount of the loss within the time required by law, and the Mortgagee or Mortgagees are required to avail themselves of their rights under the standard mortgagee clause to collect the proceeds of the policy or policies of insurance, any amount so collected through the efforts of said Mortgagee or Mortgagees shall be applied as directed by said Mortgagee or Mortgagees. No provision hereof shall entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to such Unit.

10.06 Loss To Common Elements Only. In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied to the repair, replacement or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Owners of all Units, the distribution to be separately made to the Owner of each Unit and Unit Owner's respective Mortgagee, as their interests may appear, in such proportion that the share of such excess insurance proceeds paid to the Owner of each Unit and Unit Owner's Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Unit bears to the total undivided interest in the Common Elements appurtenant to all Units. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit sufficient funds with the Insurance Trustee to completely pay for the repair, replacement or reconstruction of

any loss or damage, as the case may be. The monies to be so paid, or deposited by the Association with the Insurance Trustee, may be paid by the Association out of its reserve or replacement fund and if the amount in such reserve or replacement fund is not sufficient, or if the Board Of Directors determines not to use such fund for said purpose, then the Association shall levy and collect an assessment against the Owners of all Units in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

10.07 Loss To Common Elements, Limited Common Elements And/Or Private Elements. In the event of loss of or damage to Common Elements, Limited Common Elements and/or any Private Element of any Unit by reason of fire or other casualty, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage, shall be first applied to the repair, replacement or reconstruction of the Common Elements, then to the repair, replacement or reconstruction of the Private Elements and the Limited Common Elements sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Insurance Trustee to the Owners of all Units, and to their Mortgagees, as their respective interests may appear. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under this Article. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be sufficient, then the Board Of Directors shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement or reconstruction between the Common Elements, the Limited Common Elements and the Private Elements of Units sustaining any loss or damage. If the proceeds of said fire and casualty insurance, if any, are sufficient to pay for the repair, replacement or reconstruction of any loss of or damage to the Common Elements, but are not sufficient to repair, replace or reconstruct any loss of or damage to the Limited Common Elements or the Private Elements of Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Private Elements and/or the Owners to whom Limited Common Elements have been allocated which sustained any loss or damage, and the assessment so collected from said Owner shall be deposited with the Insurance Trustee, if any, so that the sum shall be on deposit for the repair, replacement or reconstruction of all Common Elements, Limited Common Elements, if any, and Private Elements of Units. In said latter event, the assessment to be levied and collected from the Owner of each Private Element sustaining loss or damage shall be apportioned between such Owners in such manner that the assessment levied against each Owner of a Private Element shall bear the same proportion to the total assessment levied against all of said Owners of Units sustaining loss or damage as the cost of repair, replacement or reconstruction of each Owner's Private Element bears to the cost applicable to all of said Private Elements sustaining loss or damage. If the fire and casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee in the event of the loss of or damage to Common Elements, the Limited Common Elements and the Private Elements of Units are not an amount which will pay for the complete repair, replacement or reconstruction of the Common Elements, it being recognized that such insurance proceeds are to be

first applied to the payment for repair, replacement or reconstruction of said Common Elements before being applied to the repair, replacement or reconstruction of any Limited Common Elements or Private Elements of a Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and the fire and casualty insurance proceeds been not sufficient to cover the cost of repair, replacement or reconstruction. The cost of repair, replacement or reconstruction of the Limited Common Elements and the Private Elements of each Unit sustaining loss or damage shall then be levied and collected by assessment of the Owners of the Private Elements sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of Limited Common Elements and Private Elements sustaining loss or damage.

10.08 Estimates Of Repair; Plans And Specifications; Payment Of Assessments. In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage. The estimate of repair shall be based upon the plans and specifications of the original building, portions of which are attached as Exhibit "C" to this Declaration as the same may from time to time be amended, or such other plans and specifications as may be approved by the Board Of Directors, by all of the Owners of the damaged Units, and by not less than sixty percent (60%) of the Members of the Association including the Owners of damaged Units. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing the Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board Of Directors may deem to be in the best interest of the membership of said Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement or reconstruction thereof, the additional money required to completely pay for such repair, replacement or reconstruction of said loss or damage whether to be paid by all of the Owners of Units or only by the Owners of Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any, not later than thirty (30) days from the date on which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance.

ARTICLE XI

CONDEMNATION

11.01 Condemnation Considered A Casualty Loss. The taking of a portion of a Unit or Private Element, the Common Elements or the Limited Common Elements by eminent domain shall be deemed to be a casualty loss, and except as otherwise provided below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and

distributed by the Association in accordance with the provisions of Article X. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee, as the case may be; in the event of failure to do so, at the discretion of the Board Of Directors, a special assessment shall be made against a defaulting Owner in the amount of such defaulting Owner's award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Unit or portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition as provided herein, and no provision hereof shall entitle the Owner of such Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Unit.

11.02 **Partial Condemnation.** In the event that the Condominium Property is not to be terminated and one (1) or more Units are taken in part, the taking shall have the following effects:

(A) If the taking reduces the size of a Unit and the remaining portion of that Unit can be made tenantable, the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(1) The Unit shall be made tenantable.

(2) The balance of the award, if any, shall be distributed to the Owner of the Unit and the Mortgagee of the Unit, as their respective interests may appear.

(3) If there is a balance of the award distributed to the Owner and the Mortgagee, the share of the Common Elements or Limited Common Elements, if any, appurtenant to the Unit shall be equitably reduced. This shall be done by reducing such share by the proportion which the balance of the award so distributed bears to the market value of the Unit immediately prior to the taking, and then re-computing the shares of all Owners in the Common Elements and the Limited Common Elements as percentages of the total of their shares as reduced by the taking.

(4) If the taking destroys or so reduces the size of a Unit so that it may not be made tenantable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(a) The market value of such Unit immediately prior to the taking, shall be paid to the Owner of the Unit and to each Mortgagee of the Unit, as their respective interest may appear.

(b) The remaining portion of such Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners, in the manner approved by the Board Of Directors; provided, however, that if the cost of such work shall

exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required for further improvement of the Common Elements as provided herein.

(c) The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably adjusted to distribute the ownership to the Common Elements among the reduced number of Owners. This shall be done by re-computing the shares of such continuing Owners in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.

(d) If the amount of the award for taking is not sufficient to pay the market value of the condemned Unit to the Owner and to restore the remaining portion of the Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Units after the changes in the Condominium Property effected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes effected by the taking.

(C) If the market value of a Unit prior to the taking cannot be determined by agreement between the Owner and the Mortgagee and the Association within thirty (30) days after notice by any such party that agreement cannot be reached, such value shall be determined by three (3) independent qualified appraisers with one (1) appraiser to be selected by the Association, one (1) appraiser to be selected by the Owner and Mortgagee, and the third (3rd) appraiser to be selected by the two (2) appraisers so appointed, and the fair market value of the Unit shall be deemed to be the average of the two (2) appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes effected by the taking.

(D) Changes in the Units, in the Common Elements and/or Limited Common Elements, in the ownership of the Common Elements and/or Limited Common Elements and in the shares of liability for Common Expenses and; or Limited Common Expenses which are effected by eminent domain, shall be evidenced by an amendment of this Declaration which is approved by the Board Of Directors in accordance with this Declaration and the Association's By-Laws.

11.03 **Association Appointed As Attorney-In-Fact For Unit Owners.** The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the condemnation or taking by eminent domain of the Condominium Property or any portion thereof.

ARTICLE XII

TERMINATION

12.01 Destruction Of The Condominium Property.

(A) Notwithstanding anything to the contrary contained in this Declaration, if the Board Of Directors shall determine that either of the following conditions exist:

(1) two-thirds (2/3) or more of the Units in the Condominium Property shall have been destroyed or substantially damaged by fire, wind, water, or other natural causes, or a combination of such, (including condemnation); or

(2) the Condominium Property has been in existence in excess of forty (40) years and substantially all of the Units in the structure have substantially deteriorated and have been rendered substantially obsolete; then the Board Of Directors may call a meeting of the Members of the Association to consider and vote upon whether to restore, repair and/or rebuild the Condominium Property, and if not, whether to terminate the Declaration and remove the Condominium Property from the provisions of the Act if approved by the affirmative vote of at least eighty percent (80%) of the Owners of all Units (based upon one vote for each Unit) and by at least eighty percent (80%) of all Mortgagees (based upon one vote for each Mortgage owned) after notice given as provided herein, the Declaration and plan of condominium ownership established herein shall be subject to termination as provided in the Act and the Association shall be authorized to file on behalf of and in the name of the Unit Owners and shall file a petition for such termination and removal with the Circuit Court of Baldwin County, Alabama. If less than eighty percent (80%) of the Owners of all Units and/or less than eighty percent (80%) of the Mortgagees vote in favor of terminating the Condominium Property as herein required, the Condominium Property shall be restored, repaired and/or rebuilt in accordance with these provisions.

(B) In the event that the Circuit Court of Baldwin County, Alabama, shall grant the petition for termination of this Declaration and the plan of condominium ownership as provided in subparagraph (a) above, all of the Owners of Units shall be and become tenants in common as to ownership of the Land and any then remaining improvements thereon. The undivided interest in the Land and remaining improvements held by the Owner of each Unit shall be the same as the undivided interest in the Common Elements which were formerly appurtenant to such Unit, and the lien of any Mortgage or other encumbrance upon each Unit shall attach to the percentage of undivided interest of the Owner of a Unit in the Land and then remaining improvements as above provided. The Owners of Units to which Limited Common Elements have been allocated in this Declaration shall own each such Limited Common Element appurtenant to each Owner's Unit, and the lien of any Mortgage or other encumbrance upon such Units shall attach to the Limited Common Elements of each respective Owner's Unit. Upon termination of this Declaration and the plan of condominium ownership established herein, the Owners of all Units still inhabitable shall within sixty (60) days from the date of the granting of the petition, deliver possession of their respective

Units to the Association. Upon such delivery of possession, the Owners of inhabitable Units and their respective Mortgagees, as their interests may appear, shall become entitled to participate proportionately together with all Owners of uninhabitable Units in the distribution of proceeds in the possession of the Association or the Insurance Trustee. Upon such termination of this Declaration and the plan of condominium ownership established herein, the Association or the Insurance Trustee, as the case may be, shall distribute any insurance indemnity which may be due under any policy or casualty insurance to the Owners of the Units and their Mortgagees as their respective interests may appear, such distribution to be made to the Owner of each Unit in accordance with such Owner's then undivided interest in the Land and remaining improvements as herein provided. The Land and any remaining improvements thereon shall be subject to all easements of record, except the easements created in the Condominium Documents. The assets of the Association upon termination of the plan of condominium ownership created by this Declaration shall then be distributed to the Owner of each Unit and Unit Owner's Mortgagee, as their respective interests may appear, in the same manner as is above provided for the distribution of any final insurance indemnity.

12.02 **Termination By Consent.** Except in the event of this Declaration and plan of condominium ownership established herein being terminated as provided above, this Declaration and said plan of condominium ownership may only be otherwise terminated by the consent of one hundred percent (100%) of the Owners of all Units and all parties holding Mortgages, liens or other encumbrances, against any of said Units, in which event the termination of the Condominium Property shall be by such plans as may be then unanimously adopted by said Owners and parties holding any Mortgages, liens or other encumbrances. Such election to terminate this Declaration and the plan of condominium ownership established herein shall be evidenced by a termination agreement executed in writing by all of the aforesaid parties in recordable form in accordance with the Act, and such instrument shall be recorded in the Probate Office of Baldwin County, Alabama.

ARTICLE XIII

AMENDMENT

13.01 **Amendments By Developer.** Without limiting the rights of the Developer to alter the plat and plans as described hereinabove in this Declaration or to add additional Units by Amendment to this Declaration pursuant to the intended Development in phases, and notwithstanding any other provision herein contained, the following provisions shall be deemed to be in full force and effect, none of which shall be construed as to relieve the Developer from any obligations as a Unit Owner to pay assessments as to Units owned by it in accordance with the Condominium Documents.

(A) The Developer reserves the right to amend the Articles of Incorporation and the By-Laws of the Association until such time as Developer relinquishes control of the Association as provided below.

13.02 Amendments By Unit Owners. At such time as there is a Unit Owner other than the Developer, then, in addition to the amendments permitted above, the Declaration may be amended in the following manner:

(A) A proposal to amend this Declaration may be considered at any meeting of the Members of the Association called for that purpose in accordance with the provisions of the By-Laws; provided that the Association provides prior written notice of such meeting to the Mortgagees as provided above. The proposal to amend the Declaration must be approved by the affirmative vote of the members representing not less than sixty-seven percent (67 %) of the total allocated votes of the Association and by the affirmative vote of the Mortgagees representing sixty-seven percent (67%) of the total allocated votes of the Units subject to Mortgages; or

(B) By unanimous consent or agreement of the Unit Owners and the Mortgagees as evidenced by their signatures to the amendment.

Notwithstanding the foregoing, no amendment to the Declaration under this article shall:

(1) change a Unit, including the ownership in Common Elements, responsibility for Common Expenses and voting rights, without the prior written approval of the Unit Owner or Unit Owners so affected and prior written approval of the holders of record of any mortgage or other liens on the Unit or Units so affected; or

(2) change impair or prejudice the rights of Developer or change the provisions of this Declaration with respect to the Developer's rights hereunder without Developer's prior written approval.

13.03 Effectiveness Of Amendments. A copy of each amendment so adopted shall be certified by the President or a Vice President and Secretary or Assistant Secretary of the Association as having been fully adopted, and shall be effective when recorded in the Probate Court of Baldwin County, Alabama.

The By-Laws may be amended from time to time as provided for herein to increase or decrease the number of directors of the Association to not less than three (3) nor more than seven (7) directors. So long as the Developer has the exclusive right to select directors, with respect to directors elected or appointed by the Developer, each such Director shall hold office at the discretion of the Developer. Thereafter, each Director shall hold office until the next annual meeting of the members and until his successor shall have been duly elected and shall have qualified or until his death or until he shall have resigned or shall have been removed, as provided for herein. A Director need not be a member of the Association.

Section c. Election of Directors.

(1) Subject to the provisions below regarding election of directors by the Developer, election of directors entitled to be elected by the members shall be held at the annual meeting, or, if required in accordance with sub-paragraph (2) below, at a special meeting of the Membership. The election shall be by secret ballot (unless dispensed with by unanimous consent) and by a plurality of the votes cast. The Owner of each whole Unit shall be entitled to cast his votes for each of as many nominees as there are vacancies to be filled at the time of the election. There shall be no cumulative voting.

(2) Notwithstanding the provisions of sub-paragraph (1) above, or anything in these By-Laws to the contrary, the Developer (as defined in the Declaration), its successors and assigns and not the members of the Association, shall have the exclusive right to control the selection of all the members of the Board of Directors of the Association by virtue of their exclusive right to elect, appoint, remove, and in the event of vacancies, the Developer shall fill each and, every such vacancy, until such time as either (a) the expiration of sixty (60) days following the conveyance of 75% of the Units in the Condominium to purchasers of Units other than Developer, or (b) the expiration of two (2) years from the date the Developer has ceased to offer Units for sale in the ordinary course of business, or (c) the Developer elects by written notice to the Association, at its option, to terminate such control of the Association, whichever first occurs. The Developer shall be entitled to elect and/or appoint, and to remove and fill vacancies with respect to at least one member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business at least 5% of the Units in the Condominium and such right is not violative of the then provisions of the Condominium Act. Within sixty (60) days before the date of termination of control of the Association by the Developer, the Board of Directors shall call and give not less than ten (10) nor more than thirty (30) days notice of a special meeting of the Membership for the purpose of electing the members of the Board of Directors.

Section d. Regular Meetings. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section g. Quorum. If a quorum is present when the meeting is convened, the directors present may continue to do business, taking action by a vote of the majority of a quorum, until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum present, or the refusal of any Director present to vote.

Section h. Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section m. Resignations. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Section b. Association Claims. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section c. Mandatory Indemnification. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action,

suit or proceeding referred to in Sections (a) and (b) above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

Section d. Approved Indemnification. Any indemnification under Sections (a) and (b) above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Sections (a) and (b). Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the membership.

Section e. Advance of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this section.

Section f. Non-Exclusivity of Remedies. The indemnification provided by this section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of members or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.
